Senior Freedoms and Privileges Outlined With 'Gold Pass'

Seniors were surprised in September when an interesting innovation called the "Gold Pass" was introduced to them by Mr. Leland Dimon, Principal.

At a special senior assembly, Thursday, Sept. 13, the uses of the "Gold Pass" were outlined and explained by Randy Wyant, ASB president. Each Senior was given their "Gold Pass" which allowed them certain exclusive privileges rescindable at any time, depending upon individual behavior.

The first graduating class was given the senior lawn exclusively and were allowed to go there or to the Multi-Media Center during an assembly if they did not wish to attend. All seniors were excused five minutes early before the lunch break to have time to purchase lunch before the rush of under-classmen. Also, seniors could walk to Kit Carson Park during lunch if a parent permission slip was on file. Tardiness problems were worked out between card-holder and teacher instead of using office referals and they could leave the classroom with the teachers permission without a hall pass.

These privileges, denoted on the back of the "Gold Pass," were only effective for the seniors if it was kept in their possession.

SENIOR PRIVILEGES

1. Use the senior lawn exclusively.
2. Go to the senior lawn or multi-media center during assemblies if they do not wish to attend.
3. Be excused 5 minutes early for lunch period only.
4. To leave campus during lunch with parents' permission slip on file.
5. Work with their teachers on tardiness problems instead of office referrals.
6. Leave the classroom with teacher's permission without a written hall pass.

NOTE: The "GOLD PASS" shall be rescinded on an individual basis if overall behavior, attendance, or academic effort is deemed poor.

Students Show Apptitudes in Work Force

Many students, the majority of them upperclassmen, participated in the Work Experience Program, advised by Mr. Robert Ritter. The program made it possible for working students to earn credits for their working hours. For example; a student who put in 180 hours of work in one semester would receive five credits. If he put in 360 hours in one semester he would receive 10 credits. Time cards, turned in weekly, by the student and signed by the employer or supervisor, kept account of the number of hours worked. Ritter checked student's place of employment to insure that the student was working. The types of jobs held varied with each person's preferences. Some chose bucking hay, while others had less labor with convalescent home jobs. Their hours varied according to the type of firm they worked for. Approximately 85 students were enrolled in Work Experience by the 1st quarter.

Faculty Enhances Student Enthusiasm With Skit

Students, faculty, and pep squads participated in an assembly, Friday, Oct. 19 on the football field. The assembly, lasting over an hour and a half, readied the school for the cross town rivalry game against Orange Glen High School. Varsity football, GAA tennis and swim teams were represented and introduced by their coaches, Miss Nancy Trebon and Mrs. Sandra Ragovin. Mr. Leland Dimon, Principal, gave the students his encouragements and opinions toward winning the game. Different teachers and staff members, disguised as football players, coaches and cheerleaders, used their sense of humor to put on a skit. Each class was represented by a boy and a girl in a wheelbarrow race. The sophomores were pronounced the winners. Seniors showed their spirit by displaying their ability to cheer for their school.

Monster Mash Dance Spotlights Halloween Scene

Excellent decorations set off the "Monster Mash" dance held Saturday, October 27th. The event was sponsored by the Girls League and the Tufts.

It was the first Halloween dance at San Pasqual High School and was held in the 400-building. Approximately 25 couples were there to dance to the music of two bands, "Gallo" and "Strange Coincidence." Refreshments were served and different Halloween games were played.

1. Dancers at the Monster Mash wait for the bands to start playing. 2. Art Baeza and Laura Baeza enjoying themselves at the dance. 3. Bernie Wolfe, Dave Gilbert, Greg Anderson, and Kathy Saffell drinking punch at the Monster Mash. 4. Sophomores Mike Schouten and Mike Guminski take on some of the action at the Moster Mash. 5. Eric Colling, Jeanne Christensen, and Lynell Pond show off their costumes.

As Escondido's newest high school, San Pasqual has felt the city's rapid growth rate in its burgeoning enrollment. On these pages four people with direct ties to SPHS relate their thoughts and concerns about Escondido's tremendous rate of growth, called by some as being "extremely detrimental to a quality lifestyle," and by others as "good business."

The Golden Legend is not listing its editorial views on the situation. Rather, we feel a forum of discussion best represents the school.

William Crow

William Crow, real estate agent and former Escondido City Councilman, has been a resident of the city since 1951. A parent of two SPHS students, he also serves the school's Parent Club.

The environment and its conservation has become the prime concern of most citizens during the early part of this decade. This concern is long overdue. We have been 200 years in deteriorating our habitat and the results will not be corrected in a short period of time, but we must start. Growth may, if not properly planned, be disastrous.

The issue of "growth or no growth" in San Diego County has become the predominate syndrome that has emerged as a new social philosophy. In my opinion, most of the supporters of the "no growth or very limited growth" philosophy are motivated by selfish reasoning. Such is also true in many instances of the advocates of the "turn'em loose and let 'em buck" unlimited growth supporters. Elected officals who find themselves in a position of authority must search their own consciences and decide what is best for the area they serve.

Escondido's rate of growth in the past year has been drastically reduced largely because of the instigation of the new General Plan of Development. While other cities in the North County have doubled their building permits more than one third under the rate of growth for the previous year.

G.W. Quade

As chief administrator of the Escondido Union High School District, G.W. Quade has watched closely the change in growth of Escondido. A former Escondido High School principal, Superintendent Quade has held his present position since 1954.

In my opinion, the key to the growth problem in Escondido is planned growth. With an increasing population cooperation from all service agencies it is necessary to formulate and develop plans to provide for the growth. In the past three or four years efforts have been made but not to the fullest extent. Now there is definitely more cooperation and communication between city, county and school agencies, which is a step in the right direction.

There are two extreme sides to the growth controversy. Contractors, realtors, etc. depend on the city's growth for their livelihood. There are other citizens who would like Escondido to stay just as it is. The city council has to look at both sides and try to balance the situation.

On the high school level, in terms of wealth, the assessed value of each student has increased in growth. This is a definite asset for the school district. In many areas in California and the nation the school population is decreasing. It is important to note that the Escondido school population is not decreasing, but is steadily increasing. The high school enrollment has doubled in the last ten years. And it appears from our projections that by 1981 there will be approximatily 8000.

symposium...

Jeff Stovold

Jeff Stovold, while writing for the school's newspaper, "El Aguila," was involved in a major interview with former Mayor Wil Mason and present city councilman Jerry Harmon on the growth issue. Stovold is a senior.

As a high school student, living in Escondido, the growth rate has affected me in many ways. I have always liked big cities but never wanted to live in one. That is the reason I liked Escondido; it was small and only 30 miles from San Diego.

A possible reason for Escondido's growth rate seems to have been some rather close-minded politicians we have had on city council. Most of these councilman have wanted Escondido to grow but have overlooked the detrimental aspects of uncontrolled growth.

I think people are becoming more aware of this problem and are starting to vote wisely. I feel we are taking a step in the right direction with the election of Jerry Harmon as council member.

The schools in Escondido are all overcrowded, especially San Pasqual High School. I am certain I'm not the only person who doesn't enjoy attending a school designed for 900 people with 1200 attending.

Mike Busch

Chairman of the social science department, Mr. Mike Busch is in his first-year as a teacher at SPHS. A life-long resident of Escondido, Busch graduated from Escondido High School in 1961.

Population growth has been a concern in Escondido since the early 1960's when the city's population was around 16,000. Fourteen years later it has tripled and, including the surrounding areas, downtown Escondido serves approximately 100,000 people. In eleven years the high school district has gone from one high school to five.

This is growth at its highest in the USA today. *Esquire Magazine* confirmed this in a 1967 article which declared North San Diego County as the "...hot spot in the nation," in reference to land speculators.

"Controlled Growth" is the term used by city planners today. Local politicians realize that growth itself is not the problem but rather how much growth and at what rate can we afford it? The old timers want to close off increased growth altogether. The developers and local businessmen are prospering from the growth. The environmentalist are looking for an ecological balance. Drawing the line is not an easy solution.

First King and Queen Crowned at Homecoming Ceremonies

Heather Hutchins and Bob Schouten reigned over the first official homecoming in the history of San Pasqual High School. Although there had not been a graduating class, the early graduates returned. Last year's cheerleaders donned their cheerleader uniforms to join the present cheerleaders at the game against the Carlsbad Lancers on November 9. The Golden Eagle band and drill team started off the homecoming activities by signaling the introduction of the Royal Court. The event was highlighted by the crowning of the King and Queen by last year's princess, Andi Rogers and the incumbent ASB president Randy Wyant. After the game a semi-formal dance was held at the Orange Glen High School gym.

1. Senior Princess and Prince, Linda Telfer and Rod Wells. 2. Cheerleaders, past and present, lead the homecoming court around the field. 3. Bob Schouten and Heather Hutchins reign over homecoming court as King and Queen. 4. Junior Princess and Prince, Cassi Nueman and Chuck Muren. 5. Seniors Star in First Annual Powder Bowl

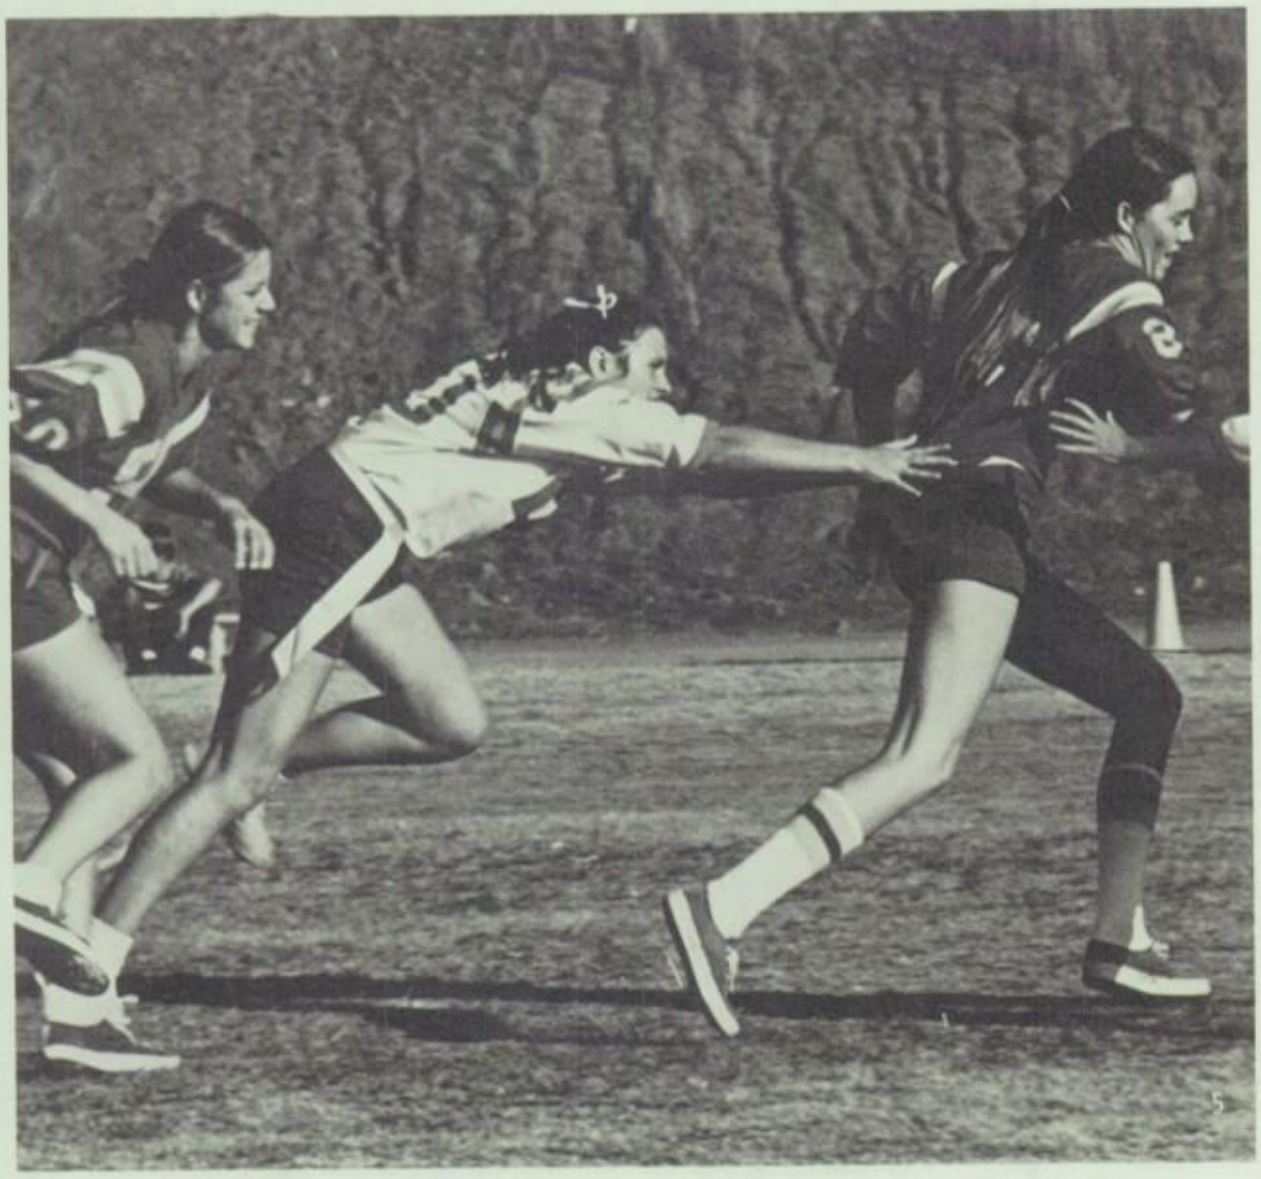
In a game marked by darting runs, long passes, and questionable penalties, the senior girls emerged victorious over the junior girls, 8-6, in the first annual junior/senior powder-puff football game.

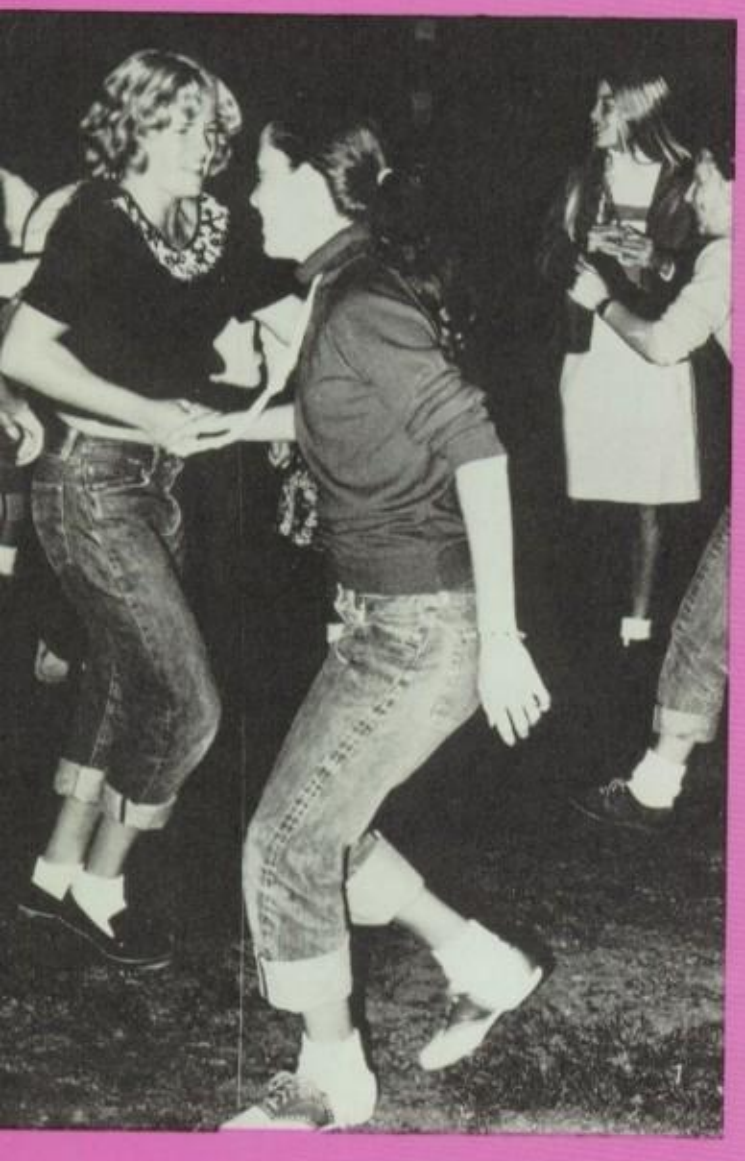
Carleen Bonetti scored on a 31-yard sweep and Jody Rosalee got the two point conversion for the winners. Trina Theis scored on a 15-yard QB draw for the juniors.

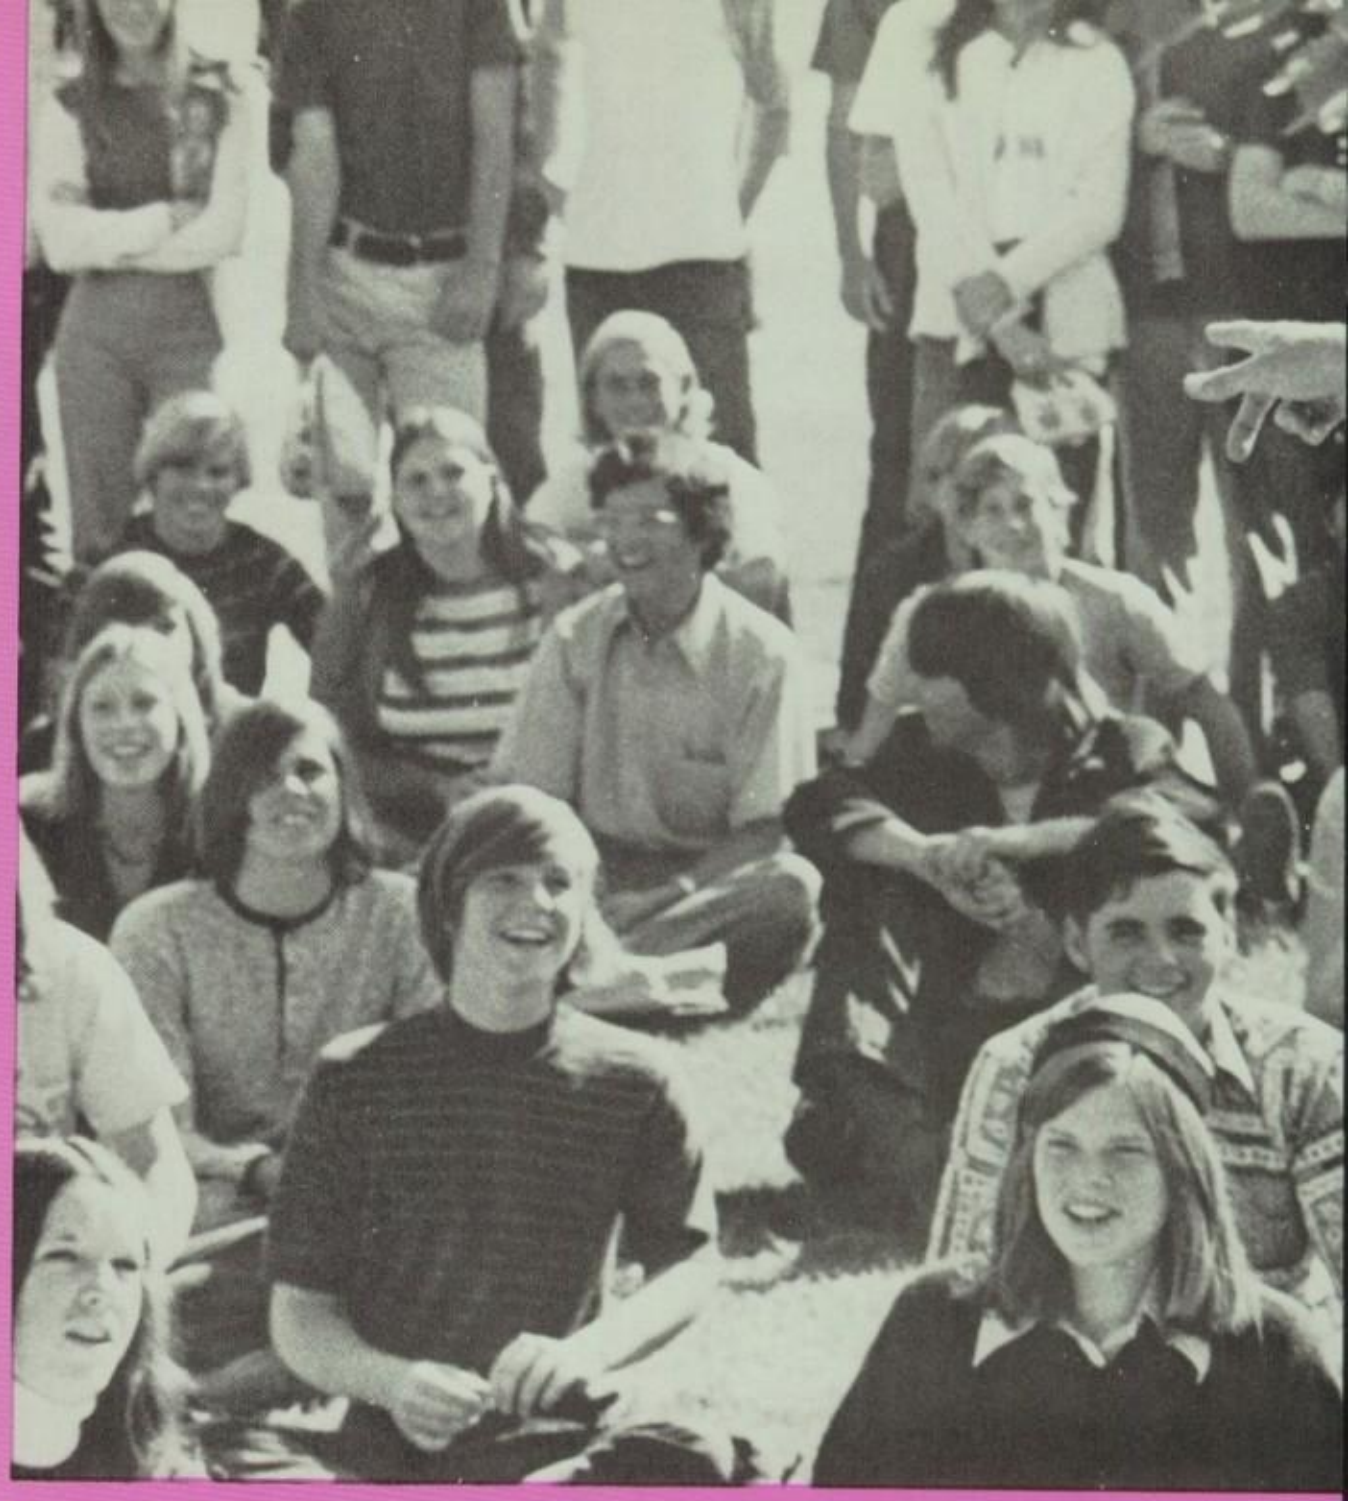
San Pasqual High School's Lettermens Club sponsored the event and sold tickets for 25¢.

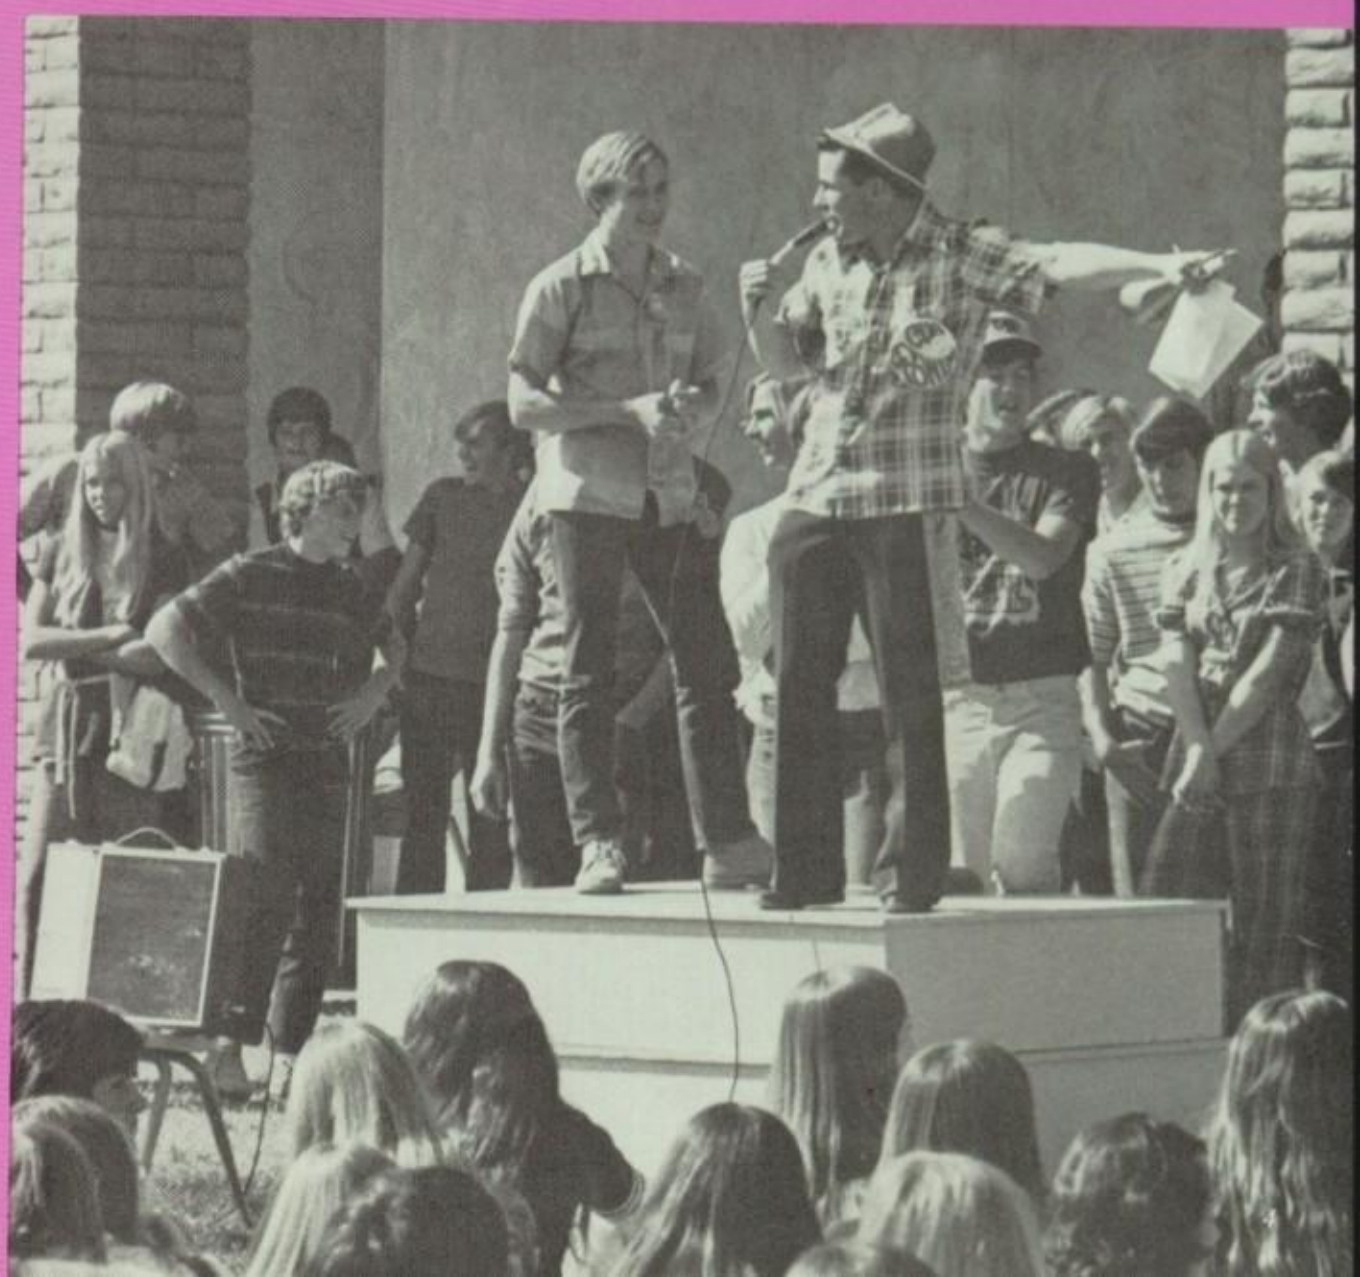
On the coaching staff for the seniors were Don Muren and Joe Friedrichs. Dan Tolley, Russ Snow, and Chuck Muren coached the juniors.



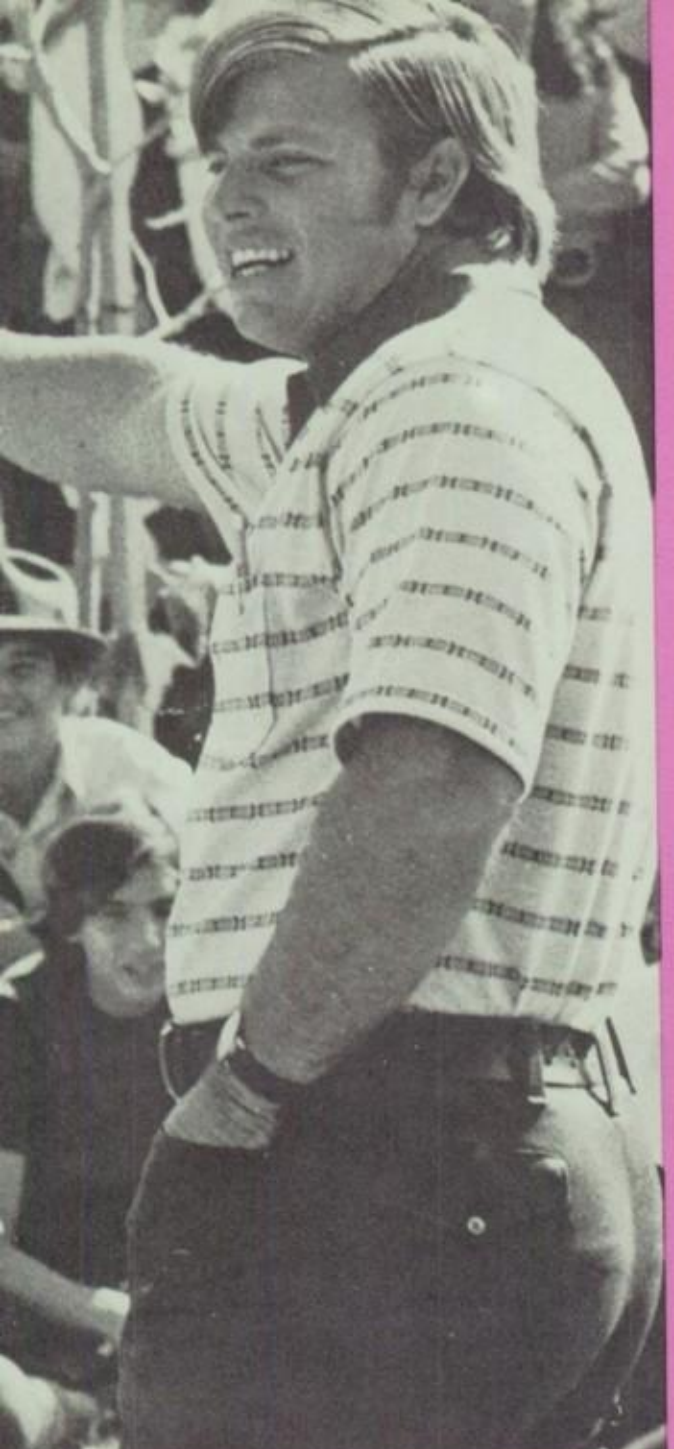
1. Anne McNamee gains yardage for the juniors as Roxy Jackson and Graham Hanks chase her. 2. Senior quarterback Carleen Bonetti sprints 31 yards to score for the seniors, while juniors Patti Pharis, Laura Psomas, Cindie Umpheres, and Janis Johnson try to stop her. 3. Cheerleaders Randy Larsen and Paul McFadden cheer on the junior team. 4. Coach Joe Friedrichs talks with senior players Carleen Bonetti, Kathy Powell, Jeanne Christensen, Annie Lawlor, Vickie Kenney, and Joni Rodgers. 5. Laura Psomas gives Annie Lawlor a push as Linda Telfer looks on.







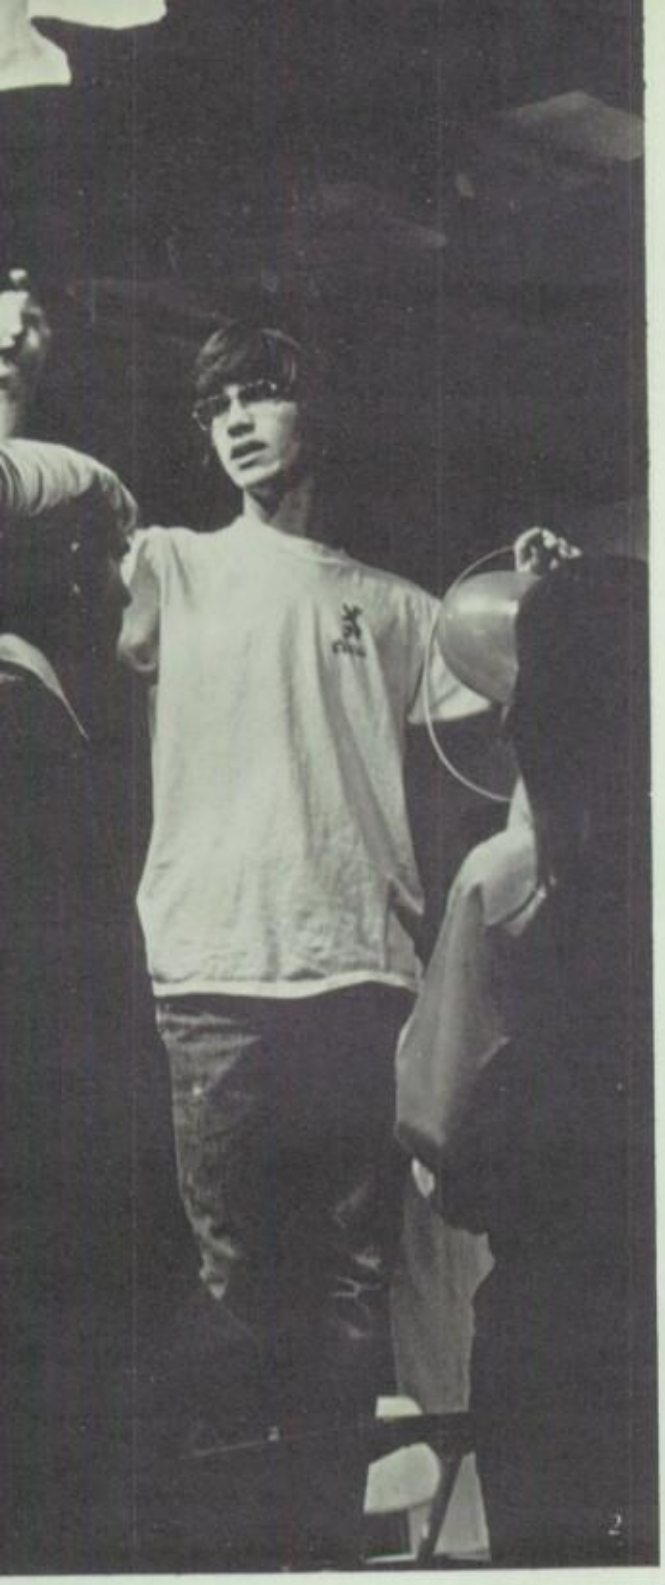
1. Debbie Kenney and Louis Weeds dance at the junior class barbeque. 2. Mr. Dennis McClanahan helps direct the slave auction. 3. Students arm wrestle each other at the barbeque. 4. Mr. Mike Basalo auctions Kevin Wade off to a buyer. 5. Seniors Craig Moiola, Rob Long, Brian Wier, Jim Christensen, Bob Schouten, Dave Williamson and Jon Santrach wait to enjoy their meal at the junior class barbeque.



Juniors Sponsor and Organize Activities During Spirit Week

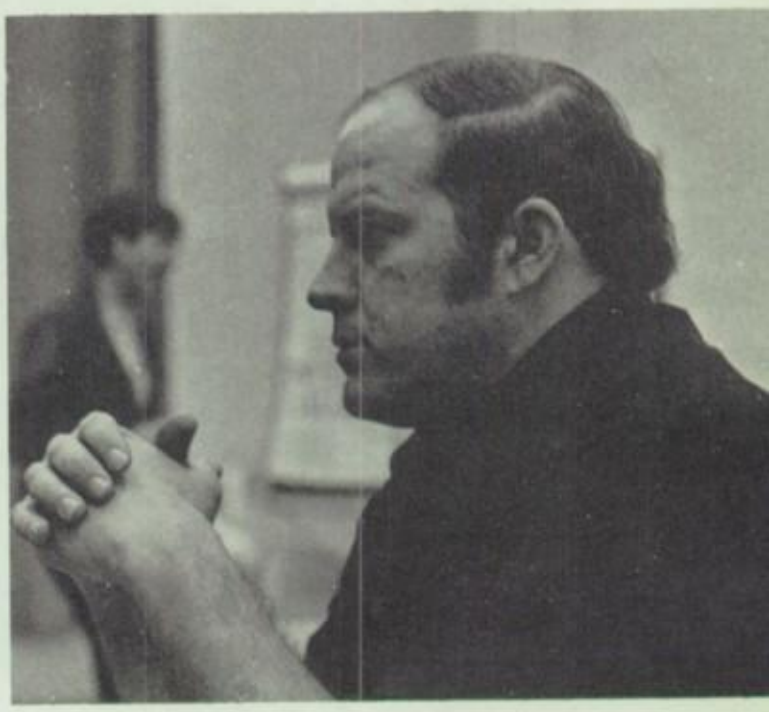
Involvement was the key word during Spirit Week starting November 5. The junior class were sponsors and put on activities ranging from slave sales to barbeques.

Monday started it off with Hat Day and was the day to draft slaves for the slave auction. Wednesday was Slave Day. Students who bought slaves the day before required them to perform chores and errands. Thursday, Old Fashioned Day, ended with an evening barbeque on the Senior lawn. Hillbilly Day, Friday, was the final daytime activity of Spirit Week.



Experimental Theater Portrays Acting Talent in Popular Play

"But Dr. Bester what do I want with basketballs?" replied Silvia Barett, played by Megan Larmer, to Dr. Bester, portrayed by Charley Thomas, as he walked down the hall. That scene was part of San Pasqual High School's experimental theater production of "Up the Down Staircase" presented January 24 and 25. Other major characters were played by Jim Crow, Jean Muick, Jim Christensen, Joe Burkholder, Richard Stack and Leslie Cowan. Mr. James Vernetti directed the production. Proceeds went to buy equipment and royalties for future plays.



1. Harry A. Kagan (Joe Burkholder), concentrates on his teacher's speech. 2. Jack Morris talks to cast members before the production. 3. Lou Martin, (Jack Morris), cuts up during class. 4. Silvia Barett, (Megan Larmer), discusses a lesson during class. 5. Paul Barrenger, (Jim Christensen), gathers his mail along with fellow teachers. 6. Mr. James Vernetti, director, busily watches rehearsal of the final scene.

Industrial, Communcative Arts Help Students Express Creativity

This year at San Pasqual High School something different was offered in Home Economics. Senior Homemaking, which is open to both male and female students, was initiated. When asked how she felt about having boys in her class, Mrs. Ann Slezak replied, "I like them and I would like to have more boys take Homemaking." Mrs. Slezak stated, "The boys were very enthusiastic, which is putting it mildly."

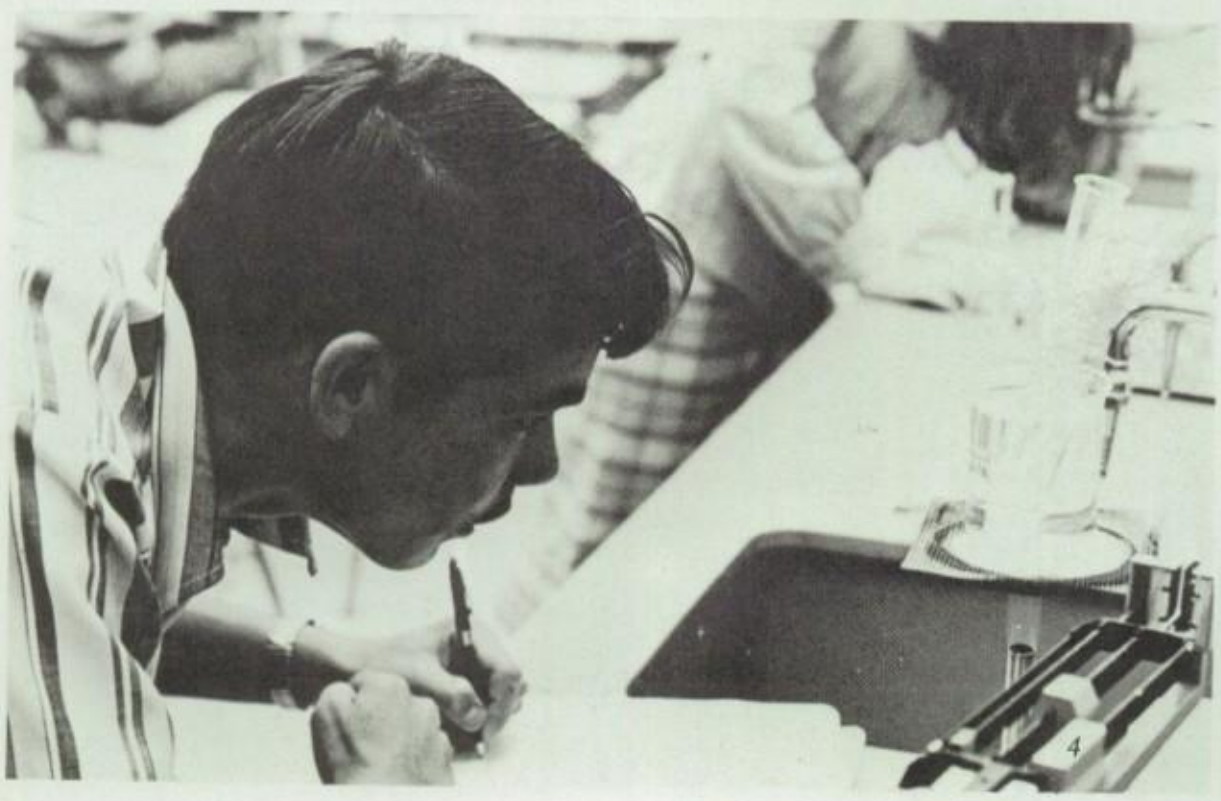
Two new classes were offered in the Industrial Arts department. Auto Mechanics was opened to juniors and seniors only, while Electronics was closed to freshmen. "We'd like to offer more classes, but money is a problem right now," stated Mr. Carl Hammer, Industrial Arts chairman, "Eventually we'd like to add vocational courses in metal, wood, drafting, and auto."

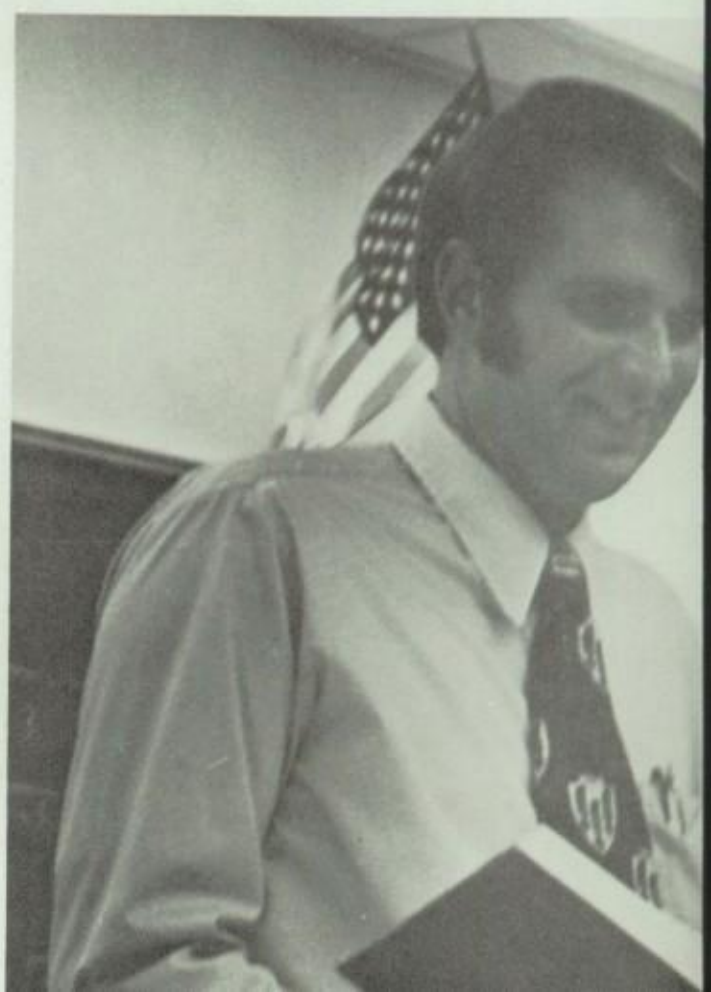
Arts and crafts were taught by Mr. Wayne Kaeser and Mrs. Jean Smith respectively. Mr. Carl Palechek was in charge of ITV, while Mr. Bill Sumner took care of Music.

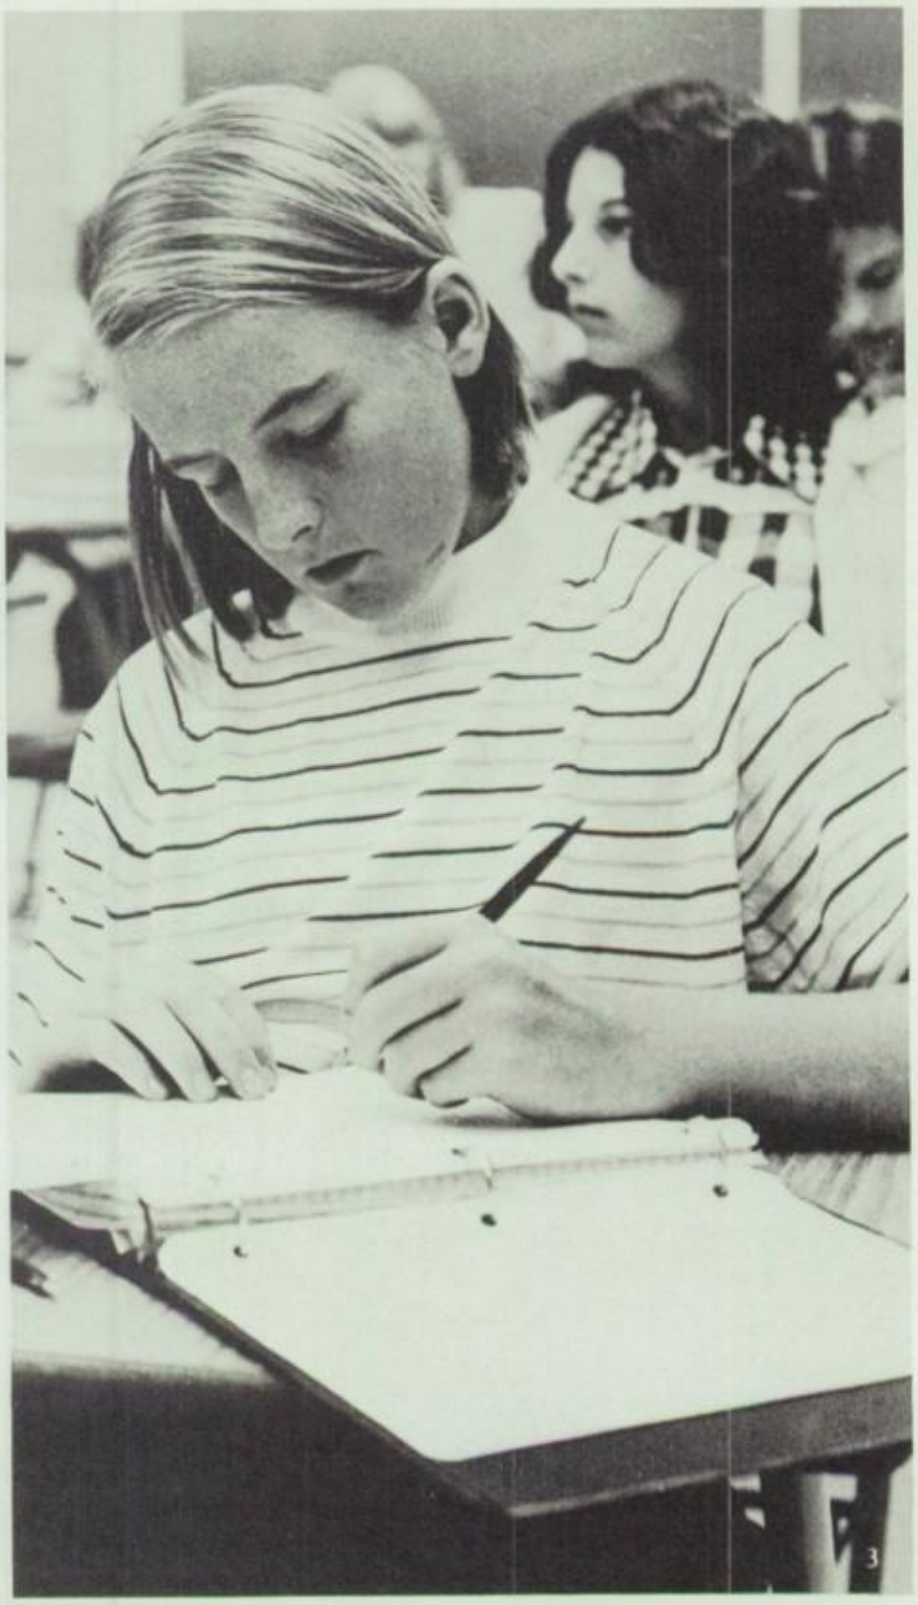
Students Gain Useful Knowledge in Math and Science Courses

"The science department is first class," according to Mr. Marvin Van Note, department chairman. This year there were three new courses offered here at San Pasqual High School, which included the Harvard Project Physics, Chemistry II, and Biology II. Science classes collected newspapers to help raise money for new equipment. Two bins were set out in the faculty parking lot for students and the public to contribute newspapers. The department received $12.50 for each ton they collected.

Mr. Del Griffin returned this year for his second year as the math department chairman at SPHS. "We are making progress. There is also a better communication between students and teachers," stated Griffin. "Last year we worked out of several different texts. Now we have adopted one of the texts and have obtained new books throughout the department," Griffin said. Mr. Michael Beckley was the only new teacher assigned to the math department.







1. Mr. Del Griffin shows math problems on the over-head projector in Algebra II. 2. Wanda Meyers, Katie Guerrieri, and Lenita Wilson observe a lab experiment in Chemistry. 3. Mike Hopkins completes a test in Algebra II. 4. Senior Jim Smith puts the finishing touches on a Chemistry lab write-up. 5. Mr. Andy Arner lectures students in Geometry. 6. In a science fair last fall, Mr. John Smyth, a Physics professor at San Diego State University, demonstrates nuclear fission.

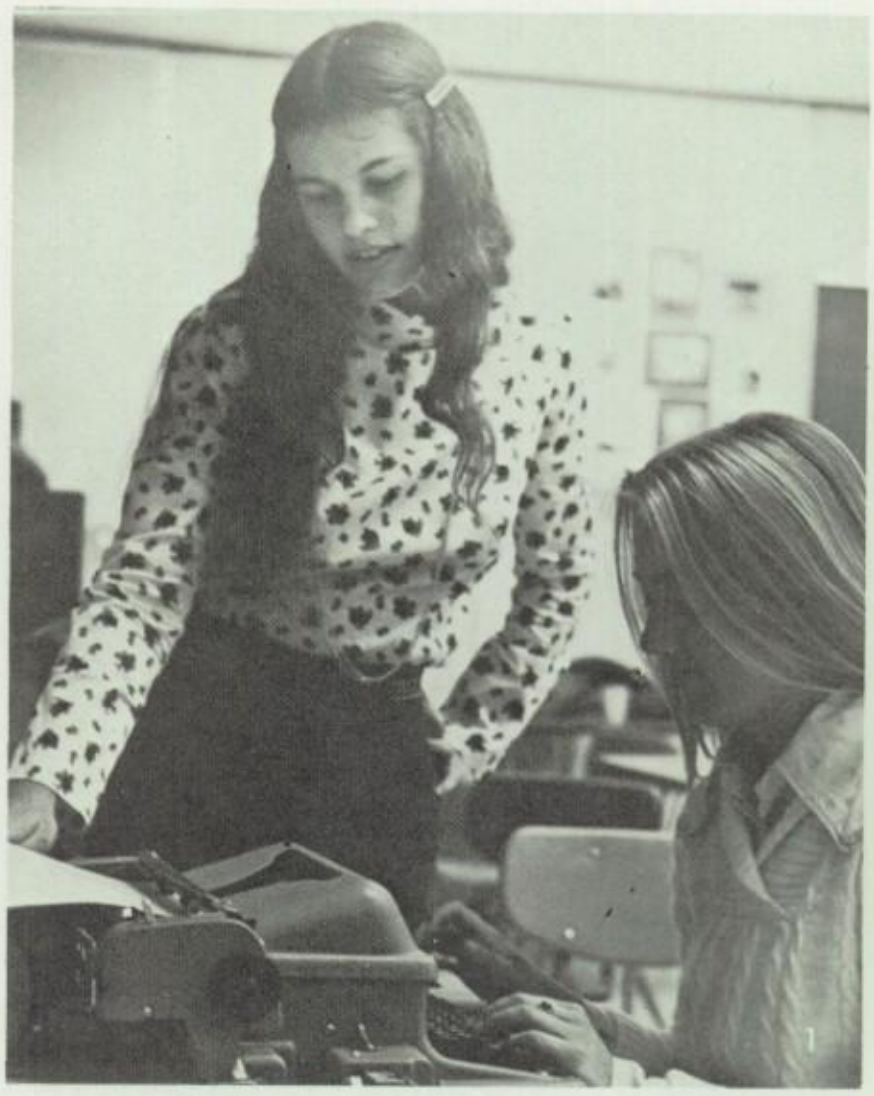
Publications Gain Awards in Past Year

"The journalism department's goal is to produce award winning publications that successfully relate the students' knowledge in journalism," stated Mr. L.E. Ponce, yearbook and newspaper advisor.

To back Ponce's quote, both the Golden Legend and El Aguila (newspaper) staffs received A's in last years rating, which was the highest grade in the Escondido Union High School District. They were rated by the National School Yearbook Association and the National Newspaper Service respectively.

The Golden Legend boasts its full color senior section and is the only high school in San Diego county to do so. Seniors Diana Gay and Jim Christensen shared the responsibility of being yearbook editor.

El Aguila received new justowriters which enabled them to do all production at the school except for the actual printing. Erin Thien, second year editor-in-chief, led the staff in publishing every three weeks.



1. El Aguila editor-in-chief Erin Thien checks out copy as Trina Theis, managing editor, types on the justowriter. 2. Golden Legend co-editors Diana Gay and Jim Christensen work on a layout. 3. El Aguila newspaper staff includes Ron Van Cleef, Mark Trevisan, Trina Theis, Jim Ross, Erin Thien, Pam Andrews, Susie McFadden, Joan Davis, Jim Ponder, Bill Howk, and Rock Martineau. 4. The Golden Legend staff is made up of Debbie Dubrule, Sherry Brady, Art Nicolaysen, Anita Gardner, Sue Fogerty, Neil Taylor, Marlo Colton, Jennifer Watkins, Jean Brinkman, Debbie Longacre, Diana Gay, Jim Christensen, Trina Theis, Cary Ruchal, Debbie Thomas-Sheers, Cathy Wieler, Tom Smith, Linda Sargent, Brenda Wier, Kathy Cook, Leslie Cook, Robin Andersen, and Jerry Orr.

Foreign Language, English Add to Students' Everyday Schedule

The San Pasqual High School English Department was headed by Mr. James Vernetti. "District wide level courses were written for the English curriculum for the Escondido Union High School District. These objects reflected certain changes that updated our offerings and hopefully made the study of English more interesting. It has come to my personal attention that English is one of the most difficult for recent graduates to pass in college. Therefore our department must become willing to better prepare our students," stated Vernetti.

Mr. Hector Terrazas, Foreign Language Department chairman, feels his department was improved over its first year.

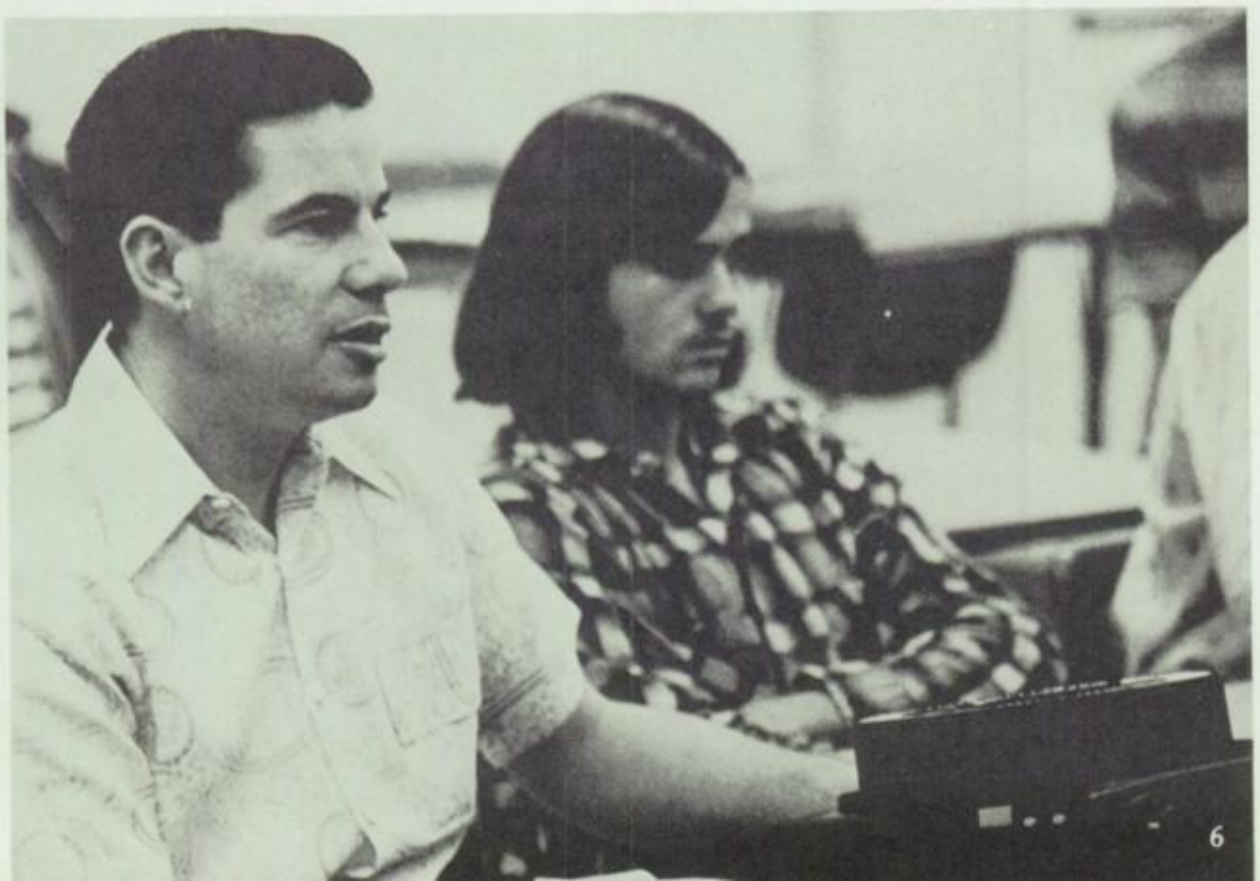
Business Students Learn Skills; Social Science Studies National Issues

"Our goal in the Business department this year was to develop a new structure in which office and distributive education can better meet the needs of the students," stated Business department chairman Mr. Frank Vannest, "the new program will be based upon identifiable competencies required for a cluster of office and distributive occupations rather than traditional courses."

The addition of a senior class brought Civics to San Pasqual High School's curriculum. Social Science department chairman Mr. Mike Busch said, "Like everything else at SP, the Social Science department is getting off the ground. There's plenty of room for expansion and innovation."



1. Mr. Frank Vannest assists Vicki Meadows in Bookkeeping. 2. Junior Don Danks types an assignment in Typing II. 3. Seniors Alan Silor, Denise Smith and Eric Colling study for quarter exams. 4. P.E. Skuba Lessons Highlight Busy First Semester

"We have the potential of an excellent P.E. program and staff. Within the next two years we hope to be able to offer one of the best programs in the southern California area," stated San Pasqual High School Athletic Director Dr. William Green. Dr. Green is also the Athletic Department chairman.

This year, ninth and tenth graders were scheduled in their respective classes, while juniors and seniors were in combined class situations. Dr. Green said, "More electives were offered for 11th and 12th graders such as archery, tennis, golf, skuba diving, badminton, cycling, and fishing."

On Fridays, the boys physical education classes offered a "bonus" or an "elective" day, where they were able to participate in a sport of their choosing.

Two new teachers were added to the girls P.E. Department, Miss Nancy Trebon and Miss Anne Davidson.

Instead of having eight week units, the department had four week units, where a new sport was introduced every four weeks. The girls P.E. classes were divided into team, individual, and recreation sports.

New Faculty Members Added to Handle Increase in Pupils

To accomodate San Pasqual High School's increase in student enrollment, 16 teachers were added to the staff this year.

Mr. Leland Dimon, SPHS principal, anticipated that five new teachers will be needed next year to take care of the growing number of new students. Dimon also expects the student population to enlarge from 1,200 to 1,350 for next year.

Besides new teachers being introduced to the SPHS staff, two new counselors, Mrs. Jayme Schindler and Mr. Roy Williamson, who is also the Associated Student Body advisor, were added.

Mrs. Karen Morrow and Mrs. Leslie Martin were also placed as ASB cashier and secretary respectively.

Most of the teachers also put in extra time as club advisors and coaches.

Eagles Show Revamped Talent in Much Improved Season

When San Pasqual High School's varsity football team opened the 1973 season, many squad members were optimistic about the new season. The first non-league game against Mar Vista saw the Eagles lose 27-2. During the next game the Eagles surprised everyone with a score of 0-0 against Chula Vista. Although no points were scored the varsity team showed aggressive talent.

After two non-league games, the varsity showed their improved abilities by scoring 13 points against predicted Avocado League champs, San Marcos High School. Chuck Muren ran for a total of 80 yards, with Bernie Wolfe running 2 yards for a touchdown. With time running out in the fourth quarter, quarterback Brian Caruso hit Rob Long with a 14 yard pass making the second touchdown of the night. San Marcos handed the Eagles a 28-13 defeat.

SPHS achieved its first varsity football victory in the history of the school with a win over Fallbrook. In the fourth quarter the Eagles made 16 plays and held the Warriors to only 5, in a 21-14 win.

Joe Friedricks recovered a fumble to score the first touchdown of the game against cross town rival Orange Glen. The Eagles made only one more touchdown in their 29-13 loss to the Patriots.

The Golden Eagles met the Escondido High School Cougars on the Cougars home field. During the first half of the game the teams played an almost even game. With the exception of the 13-6 score at halftime the Golden Eagles played an even game. Coming back in the third quarter both teams were held scoreless. In the closing minutes of the game, defensive back Terry Tracy knocked down a pass intended for Cougar receiver Steve Sanders. The fine defensive effort held the score to 13-6.

Varsity Gridders Competitive in Tough Avocado League Play

Along with San Pasqual High School's improved record this year, the varsity also had a better turnout. Instead of 28 players that showed up for practice last year, 48 gridders suited up for the Golden Eagles.

Head varsity coach Gordon Marsh felt his staff got along exceptionally well. One new coach added to the coaching staff was Mr. Richard Gault who maintained the offensive line. Mr. Del Griffin coached the defense for his second year, and the deep backs were assisted by Mr. Mike Busch.

At the annual Football Awards Banquet, held at Palomar College, senior Joe Friedrichs was awarded Captain and Most Valuable Defensive player for the Eagles sophomore season. Friedrichs was also named to the first team all-Avocado League linebacking spot. Chuck Muren was voted Most Valuable Offensive player, while Mark Trevisan took home the Most Valuable Specialty Team award, and Most Improved went to Mark Telfer.

JV, Frosh Football Players Look Toward Future Seasons

The junior varsity gridders finished the season with an overall record of 2-7, and a league of 2-5, led by Mike Goodbody, captain, and Mike Promisco, Most Valuable Player. Despite the lack of team members the JV squad came through the season in fifth place. The majority of the team were from last year's freshman team, with the remaining positions filled by players returning from the past JV Squad.

This year's freshman team voted Mark Caporale captain, and Ed Schultz Most Valuable Player. The team led by head coach Rick Sherry finished the season with a record of 3-6.

Eagle Poloists Work Hard Preparing for Promising Future

Scheduled against what Coach Don Schirmer considered the toughest teams in San Diego CIF, the San Pasqual High School water polo team fought a hard but rewarding season this year. According to Schirmer the team improved in overall ability, matured, and gained valuable playing experience.

Key Poloist Troy Johnson led the team in performance by capturing the title of second team all-league.

In summing up the season Schirmer said, "We did what we had to do, we were introduced to new things and those players remaining will do a fine job next year."

Harriers Set Goals for Season in First Meet Against MarVista

In the first Cross Country meet of the season the Golden Eagle harriers out ran Mar Vista High School 21-36. Coach Dennis McClanahan felt this meet was the biggest challenge because it was the first and the runners had to set their attitudes for the remainder of the season.

According to McClanahan the best meet was against Vista High School. SPHS was behind at the mile but caught up to win at the two mile mark. The Eagles defeated the Panthers 24-31.

Next year top runners Jaime Torres and Paulino Gutierrez will be returning along with Dana Wyant and David Shragg, this year's most improved runners. The team will also be picking up freshman harriers including Scott Griffith, who finished third in the frosh all-league meet.

McClanahan felt the Cross Country runners gained a moral victory and respect for the sport.

1. Jaime Torres runs to the finish of the race in which he broke the school record for the two mile. 2. Senior Rudy Canalez strides to the finish line in the SP-Vista meet. 3. Dana Wyant finishes just in front of teammate David Ubry and an Oceanside opponent. 4. Members of the 1973 Cross Country team were: (Front Row, L to R) Frank Gonzales, Mike White, Scott Griffith, Brent Skuba, Eric Darnell, Ruben Torres, Arnufo Lomeli, and Dale Stevens. (Top Row) Glen Thomas, Terry McLendon, Scott Nichols, David Ubry, Rudy Canalez, David Shragg, Paulino Gutierrez, Jaime Torres, Dana Wyant, and Coach Dennis McClanahan. 5. Martinez Named Co-Player of the Year in Soccer Action

Taking the seventh spot in the ten-place Avocado league, Coach Richard Preston, felt that the Soccer team showed great improvement over last year's season, winning six of their 18 scheduled games.

Preston singled out Manuel Galan, Terry McLendon, and Steve Torres as the most improved players on the team. High scoring forward, Gil Martinez won the title of co-Avocado League player of the year, as well as SD-CIF honorable mention.

With the season behind them Preston looked forward for new and improved performances next year.

Varsity Cagers Place Second; Win Ticket to CIF Playoffs

Accomplishing more than their fan's expectations, the San Pasqual High School varsity basketball team placed second on the Avocado League ladder. Holding first place the majority of the way, a final loss to Oceanside High School dropped them to second best behind Vista High School. The Eagles finished the league with the number one rated defense.

Coach Frank Vannest decided that the players improved their games a great deal by making up their minds to be contenders. "Goals are set for every team," said Vannest, "ours was to play in the CIF Tournament." The Eagles met their goal. Finishing the league with a 9-5 record qualified them for the playoffs.

For a second-year team Vannest felt they had performed well. "With 11 of our 12 athletes returning we are looking toward another good year," concluded Vannest.

Cager Losses Upset JV, Frosh Seasons

Junior Varsity basketball coach Dave Miller had a word for his team this year. "Scrappy." "I think this year's team was more aggressive than last year's team because they were scrappier," stated Miller. "They were really intelligent kids."

The JV squad finished with a league record of 6-8. Conrad Beljean paced the team as highest scorer and rebounder. He was also named Most Valuable Player, and Marshal Davert was chosen captain.

The highlight game of the season was against undefeated Oceanside High School. With two seconds remaining, Mike Goodbody passed off to Conrad Beljean who tossed up a final clutch shot to put the Eagles on top, 37-36.

Freshmen coach Andy Arner felt six footers Rick Roberts and Tim Muren crashed the boards with rebounds, while Tom Walsh and Peter Zajda mastered ball control. Starting center Keith Neumann was out most of the season with a broken ankle.

Heid Brothers Guide Eagles in Battling Top Wrestling Foes

This year most of San Pasqual High School's athletic teams boasted the fact that they had all of their players returning. Not so in the wrestling department.

"Team wise we were hurting," said coach Rick Sherry, head of the Golden Eagles varsity wrestling team, "A lot of experienced wrestlers didn't come out because of lack in interest and their motivation was missing." To prove this point, six lettermen chose not to return which left only nine grapplers that have previously competed on varsity.

In the Eagles last match of the season, they fell to undefeated Oceanside High School, 34-19. Three of the four Heid brothers scored for SPHS. Bruce and Mark Heid pinned their men, while Tim Heid tied his opponent. Brian Cichowitz had a decision and Joe Friedrichs scored a tie.

The junior varsity squad, with only freshmen and a couple of inexperienced sophomores, ended up in third place with a 4-3 league record.

Peet, Peek Standout for Tennis, Golf

Playing their second season under the direction of Coach Frank Vannest, the San Pasqual High School varsity and junior varsity golf teams struggled for victories against their Avocado League rivals.

The Circle-R golf resort hosted the teams this year, by providing the use of their course for SPHS home matches.

Varsity golfer Chuck Peek led the team with his distinguished performance on the course.

The varsity and junior varsity tennis teams represented SPHS in competition during their second season in the Avocado League.

The varsity team played the season under the direction and guidance of Coach Andy Arner, while the junior varsity team was led by Coach Cal Whetzel.

Junior Ron Peet showed his talent this year by leading the team with his strong and steady performance.

Ending their second seasons, this year, both the golf and tennis teams felt confident of new and improved performances in future years.

Tankers Dive Into Avo Year With Upsets

Golden Eagle swimmers, Greg McCord, Chuck Moorehead, and Brent Krantz were the standouts for San Pasqual High School this year.

The 1974 team was a young and growing one, with Coach Don Schirmer opening his first year of coaching at SPHS.

With the new scoring system the team is going to be hurt by its small size. In the new scoring system teams will gain points for the first six places instead of the first three. Schirmer feels the team has the capabilities for taking firsts, but is handicapped by not enough members to fill the blocks.

The team will not be losing any seniors, and most of the members should be returning next year. Next year Schirmer has hopes of being in contention for a SD-CIF title.

Track Team Starts Slow In Avo League

Coach Dennis McClanahan, who was in his first year coaching at San Pasqual High School, felt his team was capable of breaking quite a few of the school's previous records.

The track team had a turn out of almost double the amount that turned up for last year.

McClanahan felt his team proved to be strongest in their distance and hurdling events. He also thought Eric Colling and Dave Friedrichs did well in the quarter mile.

In their opening non-league meet against Mar Vista High School, the Eagles fell short 82-45.

First place varsity finishes were turned in by Rock Martineau in the two mile, Louie Longmire in the shot put, Ron Hutsell won the 180 yard low hurdles, and Steve Owen in the triple jump.

Sophomore Ken Sticka broke the school record in the pole vault with a jump of 12' and placed second in the meet. Mike Schouten captured two seconds in the 100 and 220 yard dashes.

Eagle Spikers Participate in Annual Palm Springs Relays

A three-hour bus ride to Palm Springs March 2, was well worth it for the San Pasqual High School track team. The squad brought home a second place trophy in the small schools' division of the Palm Springs Relay out of seven schools.

The Golden Eagles captured a first place in the high jump with a total height of 17'2". Russ Snow, Luis Zarty, and Larry Watkins won the event. Senior Ron Hutsell won three medals with seconds in the shuttle hurdles and the four-man mile relay, and third in the eight-man mile.

Louie Longmire, Craig Miller, and Al McKnight won second in the shot-put. Rudy Canalez broke the school record in the 880, as he took home a second place medal in the four-man two mile, along with Dana Wyant, Glen Thomas, and Mitch Mathans.

The Eagles also placed third in the eight-man mile relay.

Eagle Batters Vie for AVO Standings

Times-Advocate sports writer Larry Littlefield predicted early in the season that the Golden Eagle batters should be top contenders for the Avocado League title.

They started off good winning three of their first five games and tying one. The starting nine for San Pasqual High School consisted of seniors Don Muren, Mark Trevisan, Kevin Fox, Darrell Havins, juniors Greg Springteen, Tracy Hawk, and Mike Knapp, and sophomores Dale VanDam and Ken Putnam.

The pitching staff made up of Hawk, Muren, Brian Caruso, Springsteen, and Putnam, helped the squad win many games.

"Our goal for this year was to earn the Avocado League title, a CIF playoff berth and some CIF victories!" announced Basalo. Basalo was also hoping for many fans to come and cheer his team. "We promised to entertain our fans with gimmicks such as the 'Super-Bat', colorful batgirls and statisticians, vociferous announcers, and flashy uniforms," concluded Basalo.

JV, Frosh Baseball Squads Await Chance for AVO Title

After defeating three of the five teams scheduled for preseason games, the San Pasqual High School junior varsity baseball team opened their second season under the guidance of Coach Gorden Marsh.

Leading the team in performance were outstanding players Bill Norton and Mark Redfield who showed talent in the field, while Jon Burns as shortstop, and Pete Santrach on second, showed strong and steady performances in the infield.

Playing out their second season this year under the coaching of Del Griffin, the SPHS freshman baseball team fought for a title in their league.

Leading the team from the pitcher's mound was freshman Scott Mitchell who portrayed his talent on the field, along with outstanding players Rick Roberts, first baseman, and Tim Muren.

With the conclusion of the second season, both the SPHS junior varsity and freshman baseball teams felt confident of new and improved performances for future years.

GAA Members Remain Active; Tennis Team Gains New Coach

Approximately 60 girls belonged to the Girls' Athletic Association this year, participating with other San Diego County high schools. Tennis, volleyball, swimming, and basketball were offered to girls interested in sports. Girls were also allowed to participate in the CIF boys sports, for the first time this year.

Other activities included raising money for the awards banquet and a social for cross country and water polo. Charms and special trophies were awarded for the various sports.

Officers were Connie Cole, president, Jeanne Christensen, vice-president, Trina Theis, secretary, Sharri Snow, treasurer, Sue Jablonski, Com. of Publicity, and Elaine Richardson, historian. Advisers were Miss Karen Peterson and Miss Nancy Trebon.

This year's girls tennis team was coached by Mrs. Sandra Ragovin. She felt the team was much improved over last year and learned a great deal which can be used next season.

The most outstanding players were Sue Jablonski and Karen Farrington. Diane Scoccia was named most improved by Mrs. Ragovin.

Girl's Volleyball, Swim Teams Begin First Season at SPHS

With high hopes and little experience, the San Pasqual High School GAA volleyball and swim teams both played their initial seasons this year.

GAA volleyball Coach Karen Peterson said she felt the squad played a fairly good first year considering their lack of training. Miss Peterson siad the team improved tremendously after the first game, gaining more improvement as the season progressed.

Volleyball players Liz Walker, Roxie Jackson, and Connie Cole were named as the most outstanding players and Tammie Bradburn was most improved.

GAA swim team Coach Nancy Trebon said her swim team played a "terrific" initial season. The team won their first meet against Escondido High School, setting the pace for a season that left them third in the league.

Miss Trebon recognized Patty Lorang and Debbie Dietz as most improved players and Cindy Erck was chosen most outstanding player.

With their initial seasons behind them, both Coaches are optimistic about the future. "We're looking forward to a better season next year," concluded Miss Peterson.

Girl Cagers Place Fourth in Tournament

The girl's varsity basketball team placed fourth out of eight teams in the first annual Women's High School Basketball Tournament sponsored by the Mira Costa College Associated Students Inc.

The Eagle gals fell to Escondido High School in their first tournament game, then came back to beat Vista High School, 26-17. The team however, lost their consolation championship game to San Dieguito High School.

Senior Roxie Jackson led the team in scoring, as Miss Karen Peterson coached.

This season there were both varsity and junior varsity teams as a result of a large turnout. Miss Nancy Trebon coached the JV. This was also the squad's first year in California Interscholastic Federation competition.

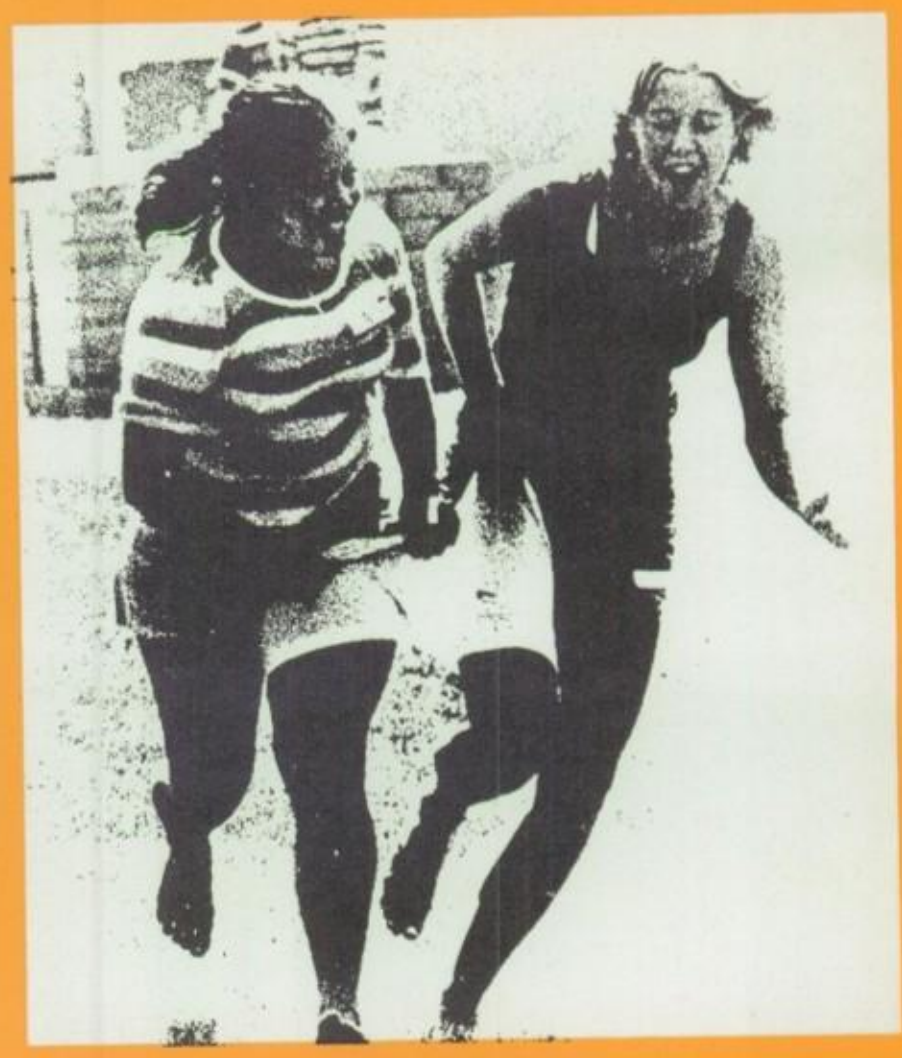
is a combination of clubs working together for the betterment of school life.



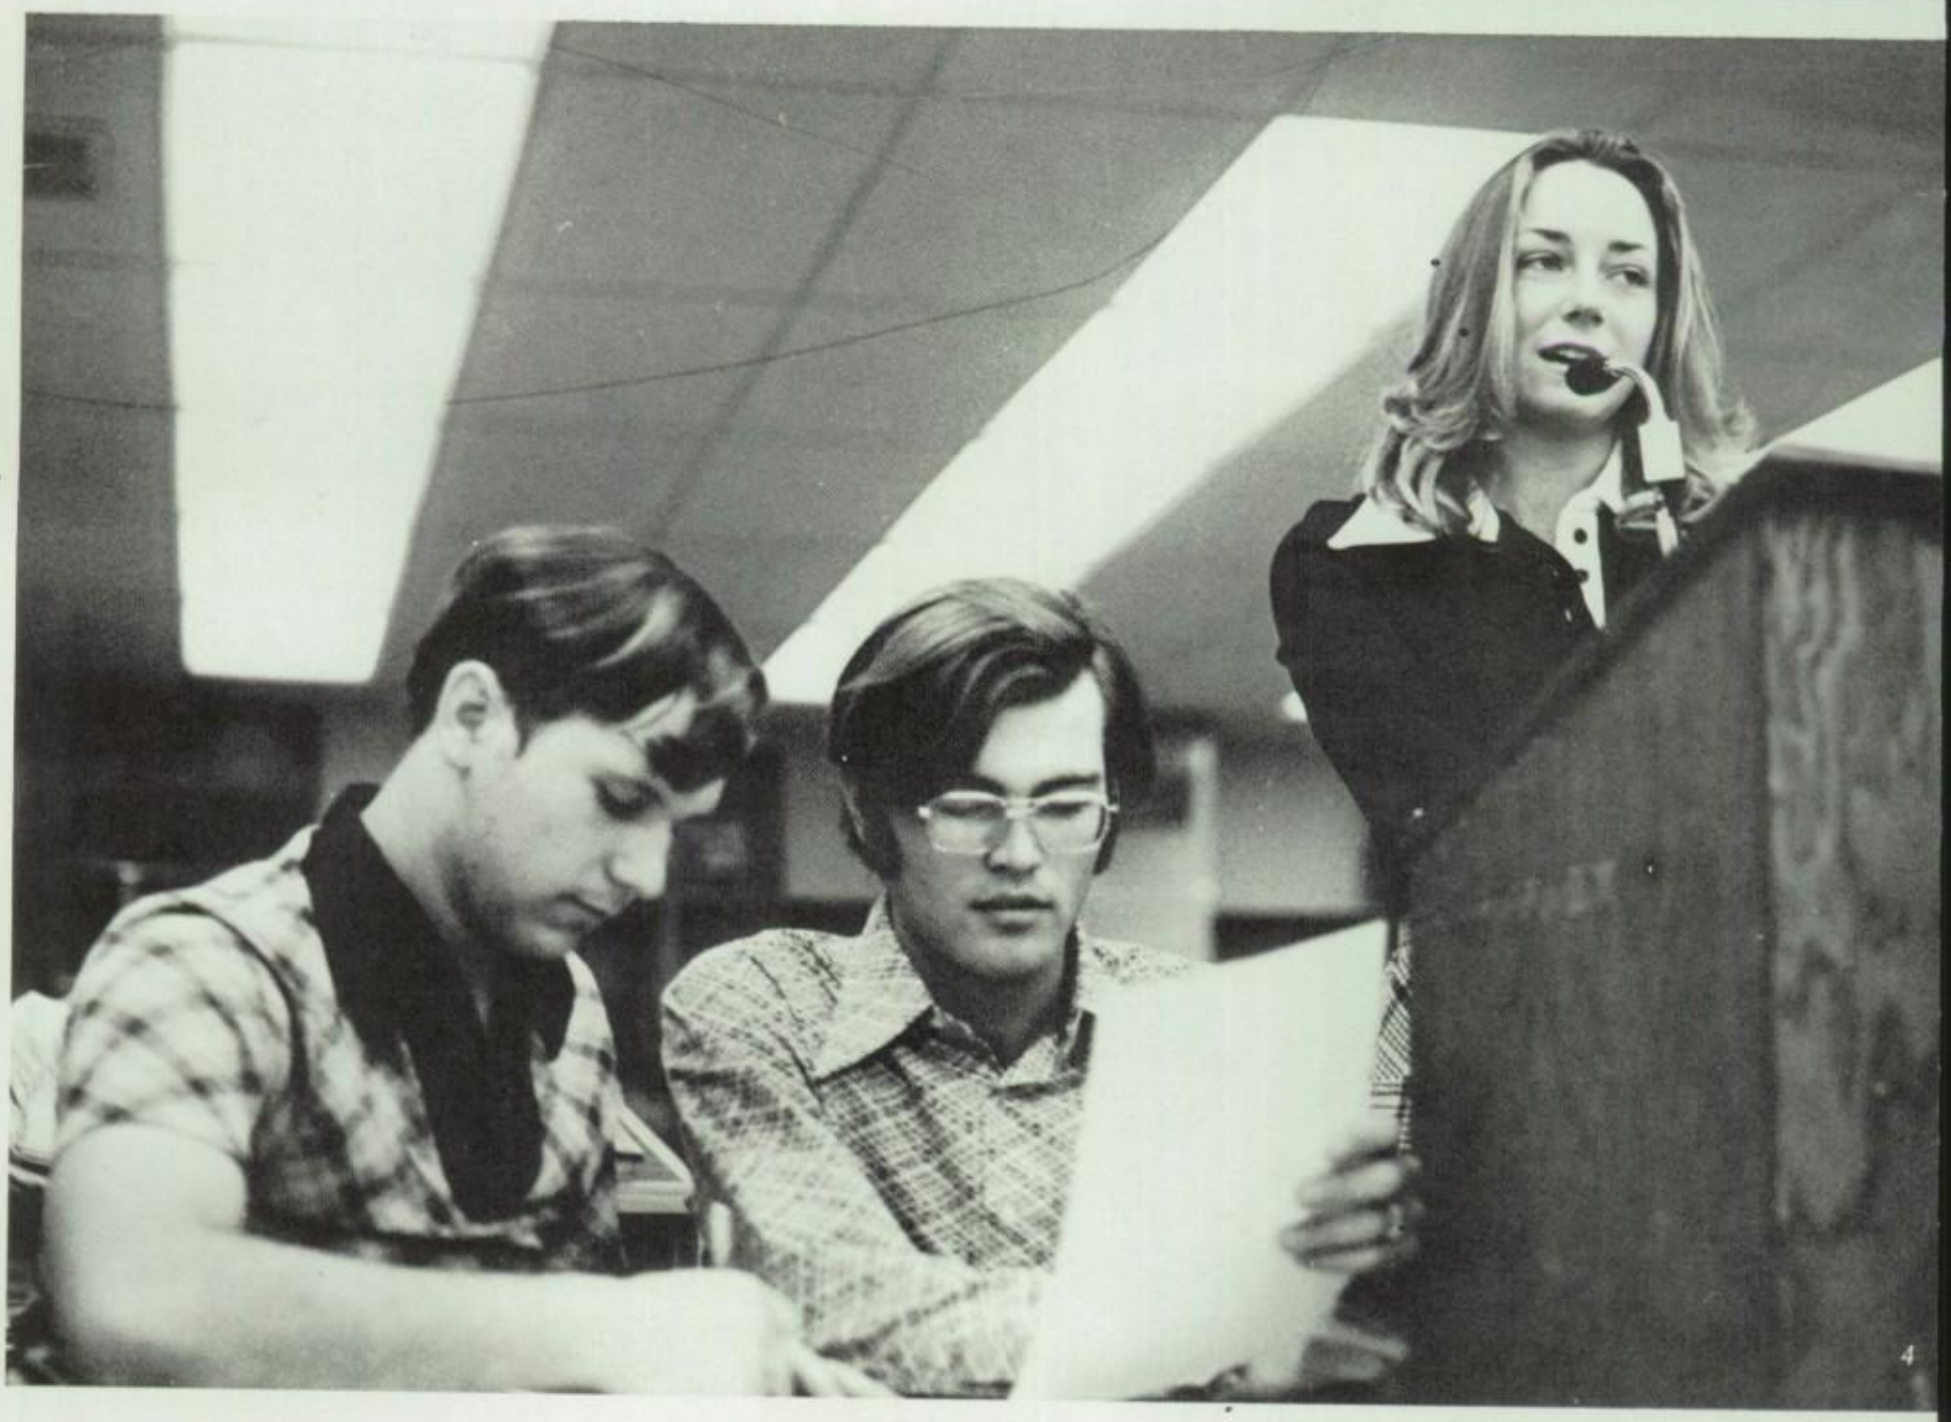
Various Clubs Hold Activities to Raise Money for Projects

Tutoring below average students was planned for the upcoming year by the Academic Council. The club was designed to make students become more interested in academics. The council was made up of students, parents, and teachers.

American Field Service was under the direction of Mr. Dennis Mainard. The main purpose of the club was to promote the foreign exchange student program for the upcoming years at SPHS. Money from planned activities went into the fund that would send a SPHS foreign exchange student to another country.

Mr. Roy Williamson and Mr. Mike Busch co-advised the Associated Student Body of San Pasqual High School. ASB cards were sold and parking permits were given to the SPHS student body. Organizing newly formed clubs, congress meetings, and the Homecoming were only the beginning of their duties. A major part of their activities was to arrange the ASB election at the end of the year.

Serving the school and the community, the Interact Club led a smoking research program throughout the year. The members, led by Mr. Frank Garduno, sponsored the all night basketball game with Escondido High School and sold tickets for the varsity basketball games.



1. Kelly Walton and Joe Friedrichs attend an ASB congress meeting on Nov. 17. 2. Members of the American Field Service Club are Lois Hungerford, Anita Kratka, Kris Nicholas, Annette Kratka, Natalie Marone, Ruth Jacobs, Melody Peck, and instructor Mr. Dennis Mainard. 3. Janis Johnson, Mrs. Betty Johnson, Mrs. Mary Wohlford, and Carolyn Hauser discuss plans for the Academic Club. 4. Liz Wohlford conducts the ASB Congress meeting while Tim Abbott and Randy Wyant look over the agenda Jan. 17. 5. Interact Club members meet at Diana Erler's house on Nov. 15. 6. Ann Robbins, Rosie Bastien, Debbie Frisby, Rob Long, and Johnny Johnston attend an Interact Club meeting.

Homemaking, Girls League and Pleiades Clubs Offer Services

Pleiades, an honorary service club, sponsored various activities held at San Pasqual High School such as the erection of a student marquee, "Back to School Night", and the Associated Student Body elections. A halloween party was held October 27 in coordination with Girls League. They held a car wash in the spring to raise money for parties and other spirit activities.

A spring fashion show and spirit breakfasts were only a few of the activities held by the Girls League. Under the leadership of Mrs. Charmeian Ward, they started out the year with a Big Sister-Little Sister Feed with the senior and incoming freshman girls. A bake sale was held to raise money for a halloween party October 27.

Homemaking Club offered their services for school and social events. Advised by Mrs. Ann Slezak, the members prepared refreshments for elderly people in local rest homes. As the year ended, they held a potluck dinner for family and friends. They distributed the food that they had learned to make throughout the year.

Cheerleaders Supported by Fellow Students

Bubbling with their traditional enthusiasm, the cheerleaders held the first pep rally September 23. Promoting school spirit, selling game ribbons, and sponsoring a spirit breakfast were only a few tasks held by the cheerleaders.

Led by head cheerleader Cassi Neumann, they distributed cupcakes to athletes and performed numerous skits at pep rallies.

Varsity cheerleaders were advised by Mrs. Joy Briggs, the JV squad by Miss Nancy Trebon, and Mrs. Meredith Marcus guided the freshman cheerleaders.

They ended their year by prepairing the future San Pasqual High cheerleaders.

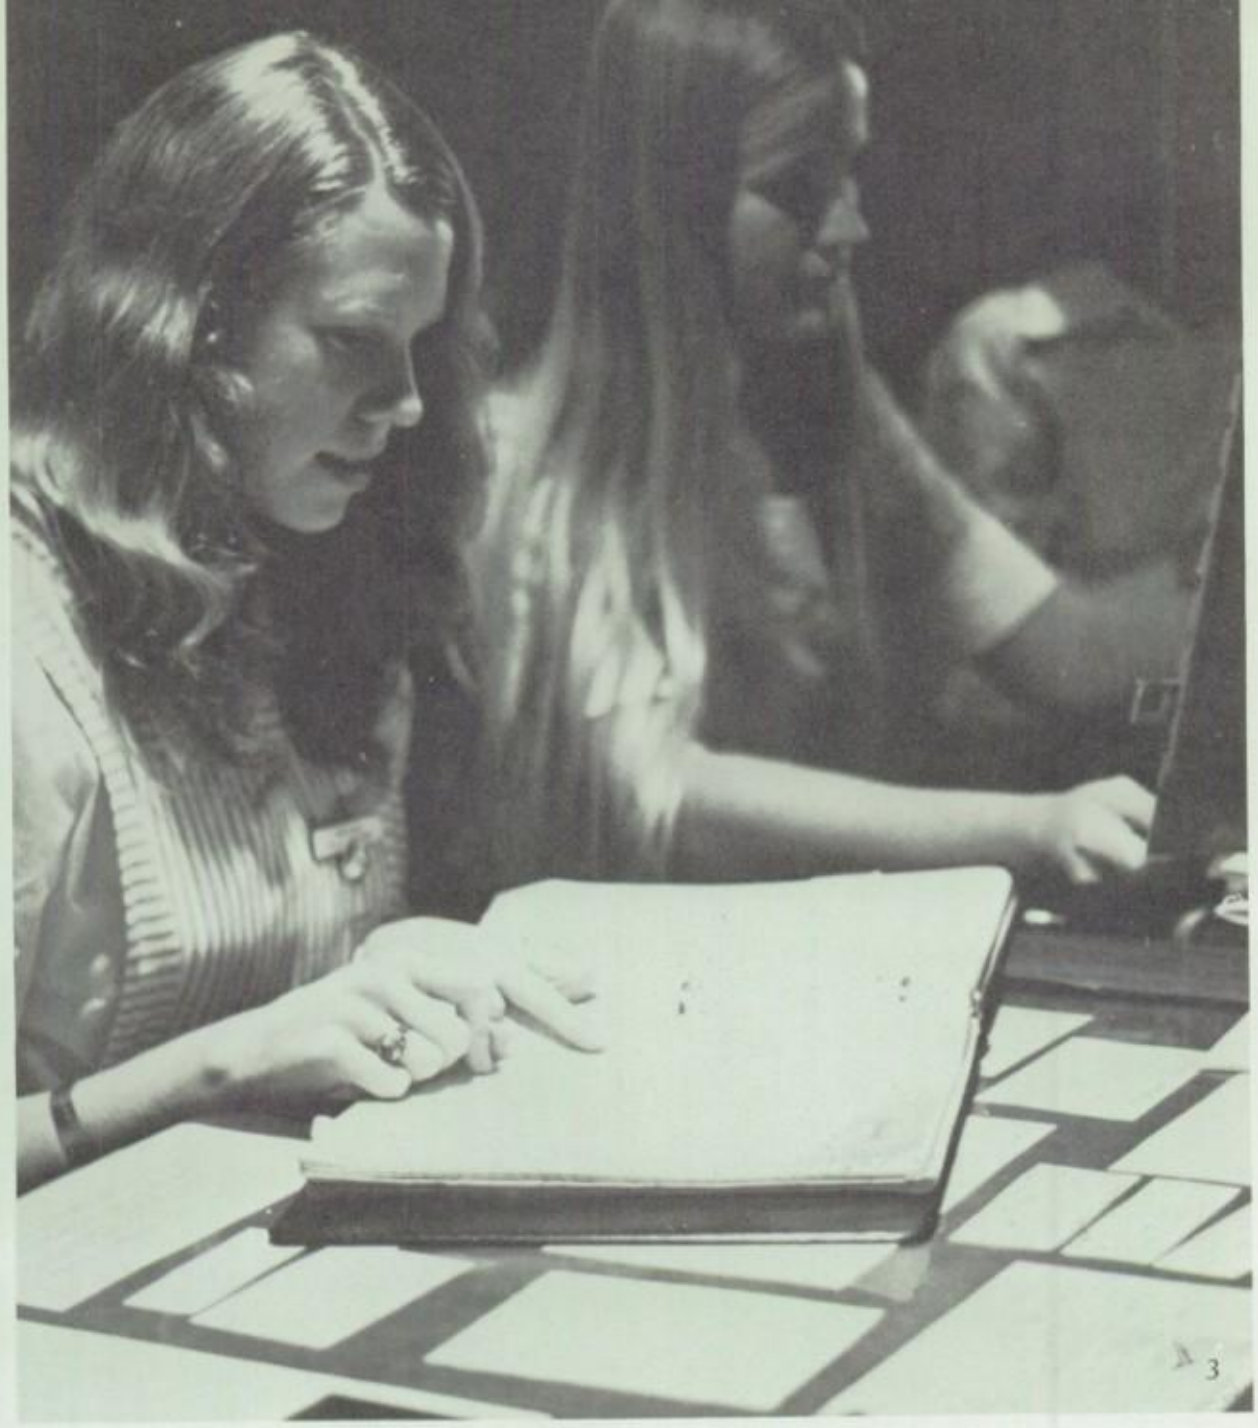
Band, Gymnastics, Lettermen Club Members Serve School

The Golden Eagle Band provided half-time entertainment and competed in various band competitions. Band instructor Mr. William Sumner led the band in placing second at the Escondido Tournament of Bands and third in the San Diego Autumn Band Review. Both competitions were in the class "A" division. Additional events that the band participated in were the Escondido Christmas Parade held Dec. 1, the Long Beach All-Western Band Review held Nov. 24, and a performance in Disneyland. Various concerts were also held throughout the year.

Gymnastics Club, advised by Mrs. Joy Briggs, was the newest addition to the San Pasqual High School atheletic department. Tracy Cloyd, student instructor said, "gymnists learn to keep their bodies right and controlled, while still being graceful." Miss Cloyd said they eventually hope to enter competition. Other gymnastic instructors were Leslie Cowon and Laura Guminski.

Lettermans Club sponsored the powder puff football game held Dec. 7. Mr. Dennis McClanahan supervised the club.

Health Career members Fawn Bradley, Cathy Crow, Cory Dunasky, Pam Overton, and Nancy Carroll, aid Sue LeDonne (Lying Down) as Mrs. Margaret Cook, advisor, looks on.



Media, Health Careers, Art, Show Action

Media Club, advised by Mrs. Alison Hobson, sponsored and worked on the book fair which was November 12-16. The members used the money raised to buy books, tapes, and magazines to add to the Multi-Media Center.

Mrs. Margaret Cook supervised the Health Careers Club. Field trips to Salk Institute, Speech and Hearing Centers, and local hospitals were presented to members to further their education in the medical field.

Designing and creating posters and bulletin boards were some of the activities shown by the Art Club. Advisor, Mrs. Jean Smith, accompanied the members on various trips to art galleries, museums, and film festivals.

Events Sponsored by Club Members

The Ecology Club was formed under the leadership of Mr. James Hilton. According to Hilton, they were organized to help students take pride in the appearance of their school.

California Scholarship Federation, an honorary service club, encouraged academic improvement of students and recognition of those who are academically successful. Mr. Mark Fredenburg instructed the club.

French Club, under the supervision of Mr. Joy Briggs, was mainly a culture enrichment organization. Planned activities were a trip to the Old Globe Theater in January, bake sales, and a progressive dinner held in April. A car wash was held on Oct. 12.

German Club, instructed by Mrs. Beatrice McKinney, took field trips to German restaurants in Del Mar, La Jolla, and San Diego. In the spring, a car wash, pot luck, and progressive dinners were held in the home of club members.

Backpacking Club took trips to Cougar Mountain, Little Blair Valley, and San Jacinto Mountain. A 10 day trip to the High Sierras this summer was being organized by the club. Mr. Carl Hammer was advisor.

Frosh Girls Given Opportunity to Meet Senior 'Big Sisters'

To start off their first year, the freshman girls were given a special day of acquaintance by San Pasqual High School's seniors held Sept. 11. The freshman class officers proceeded to hold meetings with their classmates to gain ideas to acquire money for their class treasury. Preceding this, the leaders were elected.

1. Elected freshman princess and prince, Maryann Santrach and Tim Muren, stand in the shade awaiting the coming night of royalty events. 2. Freshman, Jennifer Chandler, and senior, Rhonda Massey, prepare for the three legged race during "Big Sister, Little Sister Day" held Sept. 11. 3. Frosh class officers, vice president, Ann Watkins, secretary, Suzanne Lemley, president, Garth Wilson, and Tracy Theis, treasurer, discuss future plans for the freshman class.

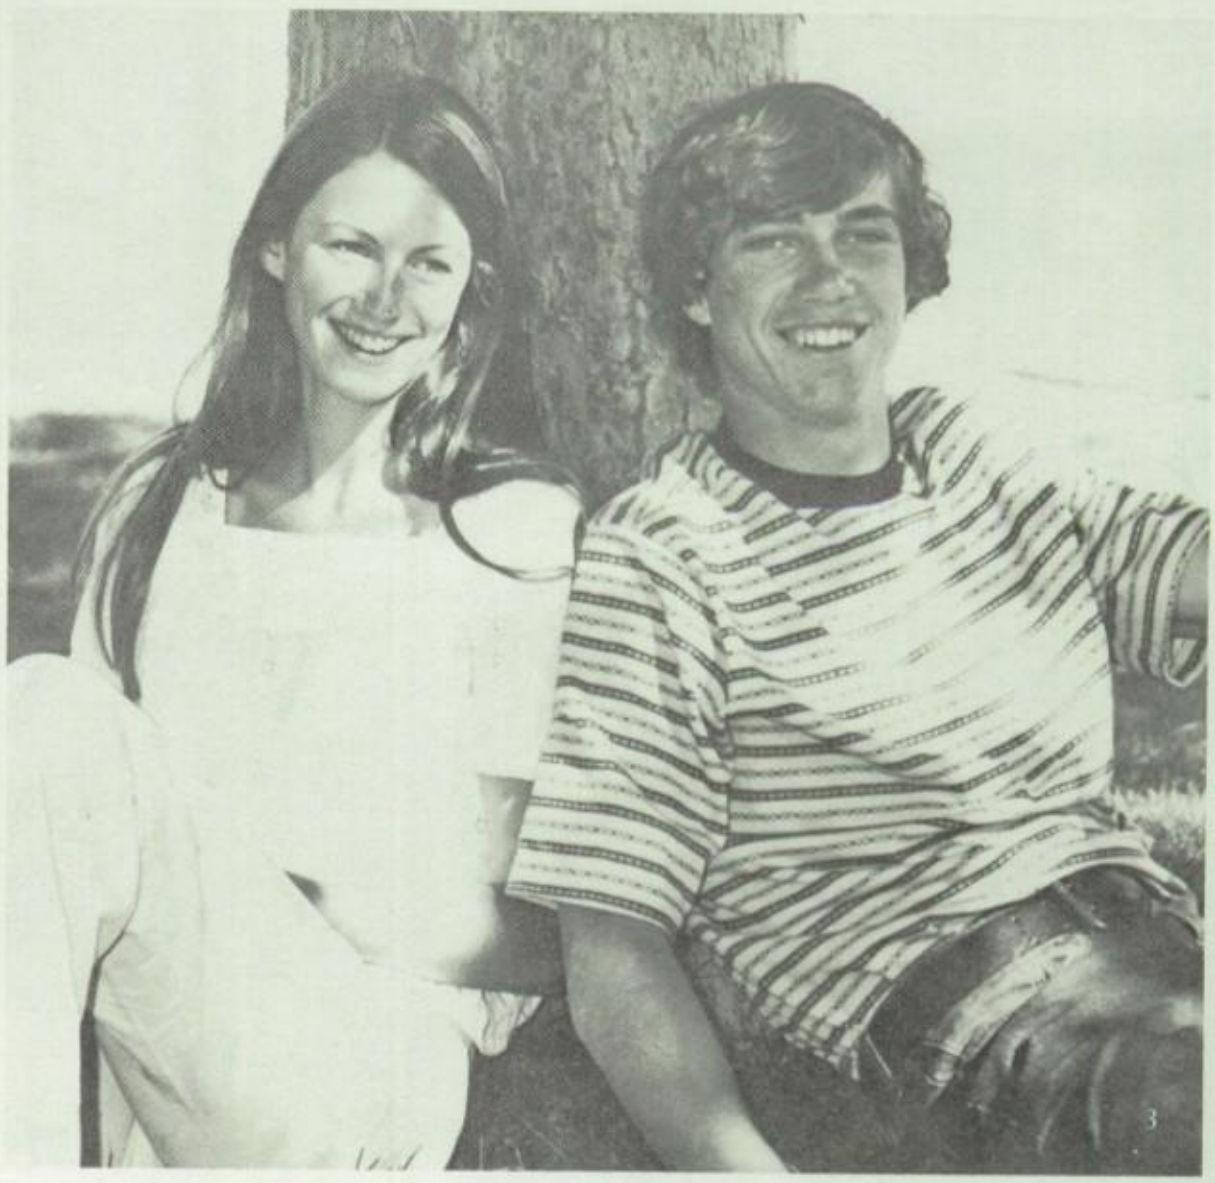
Sophomore Royalty Elected for Homecoming Ceremony

Meetings were held to find ways to raise money for events sophomores hope to sponsor as San Pasqual High School juniors. They began earlier this year with their profitable ideas for future activities. Jim Ponder, president, said they needed time to gain money to fulfill their plans so they began a year early.



1. Julie Trusch and Holly Case participate in the study of bone structure during fifth period health class. 2. Sue Beans, secretary, Mike Schouten, vice-president, Dave Clissold, treasurer, and Jim Ponder, president sophomore class officers, hold the attention of their classmates during a meeting held Dec. 11. 3. Sophomore princess and prince, Susie McFadden and Mike Schouten, casually relax under a tree before homecoming excitement.

1. Juniors use privilege of sitting in stands to show their spirit and enthusiasm toward fellow students at pep rally. 2. Chuck Muren and Cassi Neumann were nominated by the Junior class to represent them in the royalty court. 3. Holding the positions of junior class officers for the past year have been Chuck Muren, president, Anne McNamee, vice-president, Janis Johnson, treasurer, and Mary Bull, secretary.

Juniors Plan Various Activities; Raise Money Toward First Prom

Many events held this year were sponsored by junior class members. President Chuck Muren organized meetings and assemblies specifically to come up with fund raising ideas for the students to participate in.

On September 3, any junior who desired could attend the picnic held at Felicita Park for the junior class only. Here they discussed ideas for the coming year.

Another meeting was held October 24 to find ways to earn money so they could sponsor San Pasqual High School's first prom held in May.

Other events credited to the juniors were car washes, an evening pep rally held November 8, and all the activities of Spirit Week, November 5-9.

to the senior class...

The graduating class of 1974, is a "Very Special Group," made up of wonderful young men and women who are beginning to experience their first real frustrations, hardships, and glories in life.

To you, the seniors I have known for the past two years, I extend my best wishes. You, indeed, are a "Very Special Group" because you are not only charter members of our student body, but you are the first class to ever graduate from San Pasqual High School. You accepted the challenges involved in building a new high school and, although you come from Escondido, Orange Glen, San Marcos, and Poway high schools, you helped mold traditions of Spirit and Pride when it was most needed. Give everything you have to achieve excellence. There is excellence in every phase of life; do not accept mediocrity or any part of being just average.

Unto you, now, is born a new age—think, work, pray, love, want the best that life can offer and prepare for it as real "all-Americans."

You have made an outstanding contribution to your high school, leaving pleasant and happy memories. I wish you the best that life can offer.

Your friend,

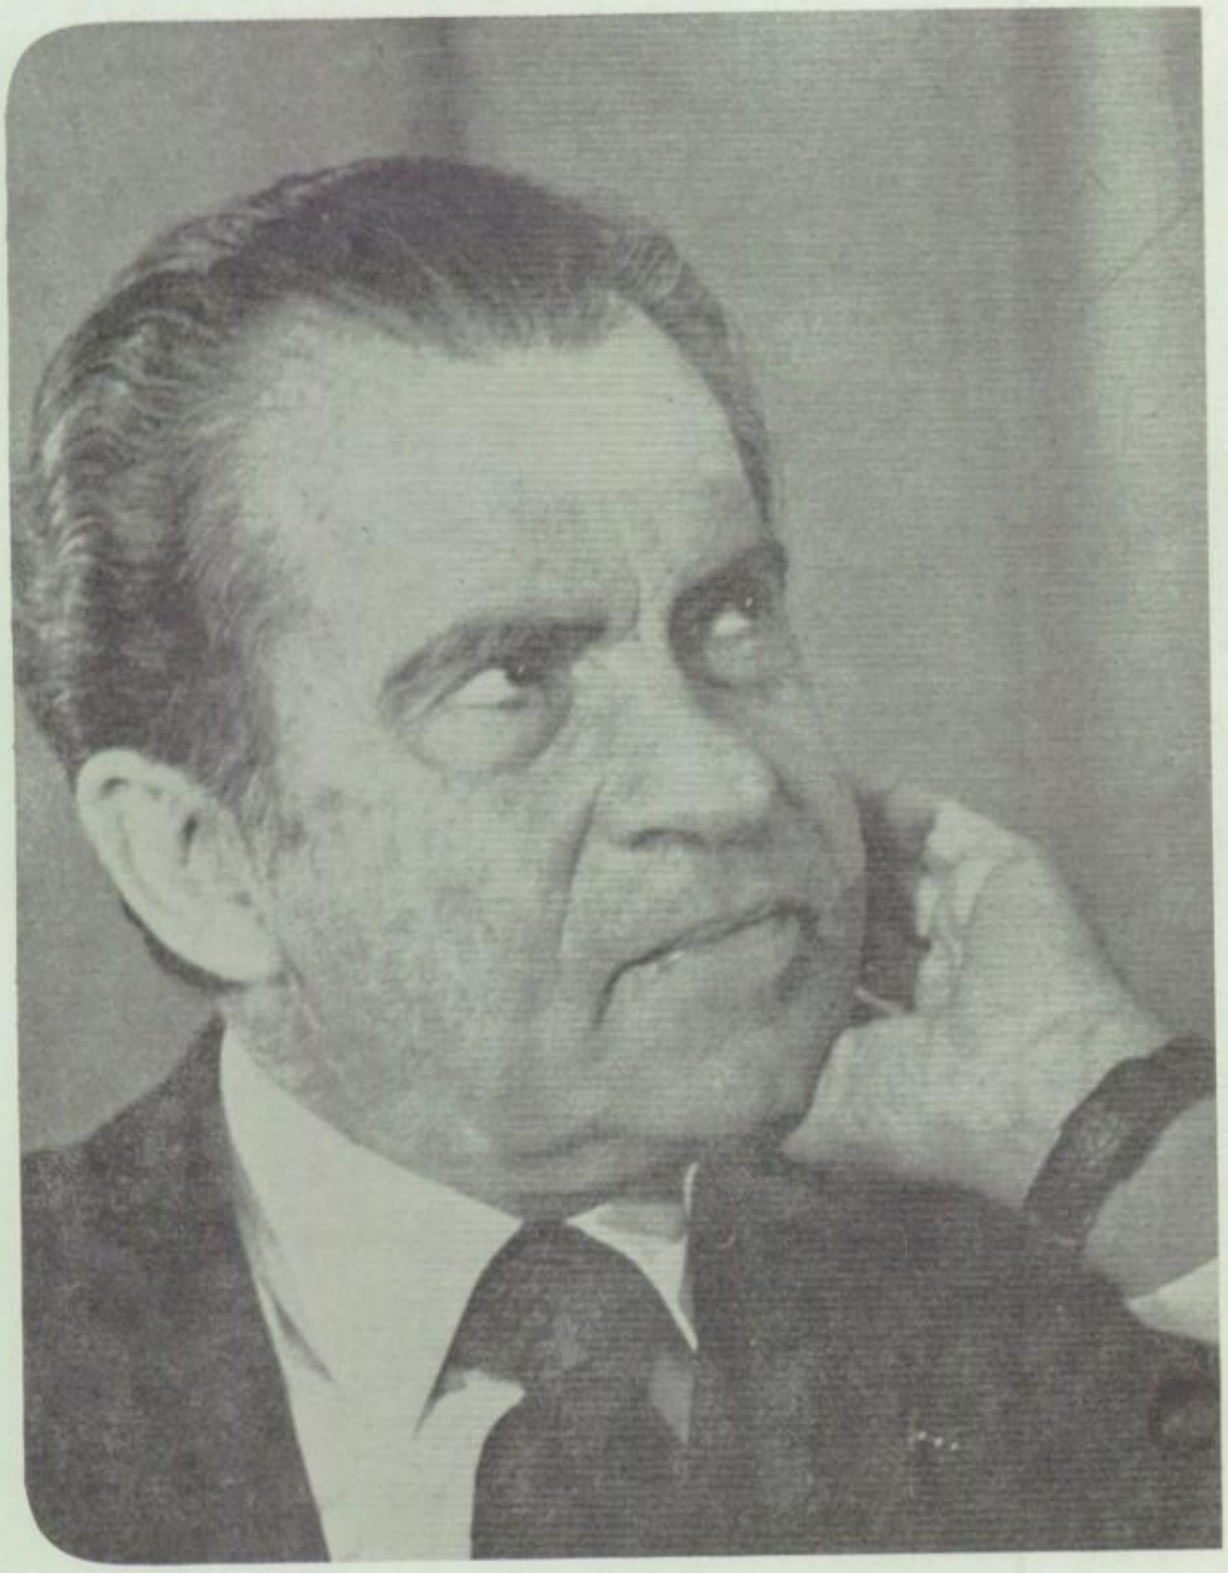
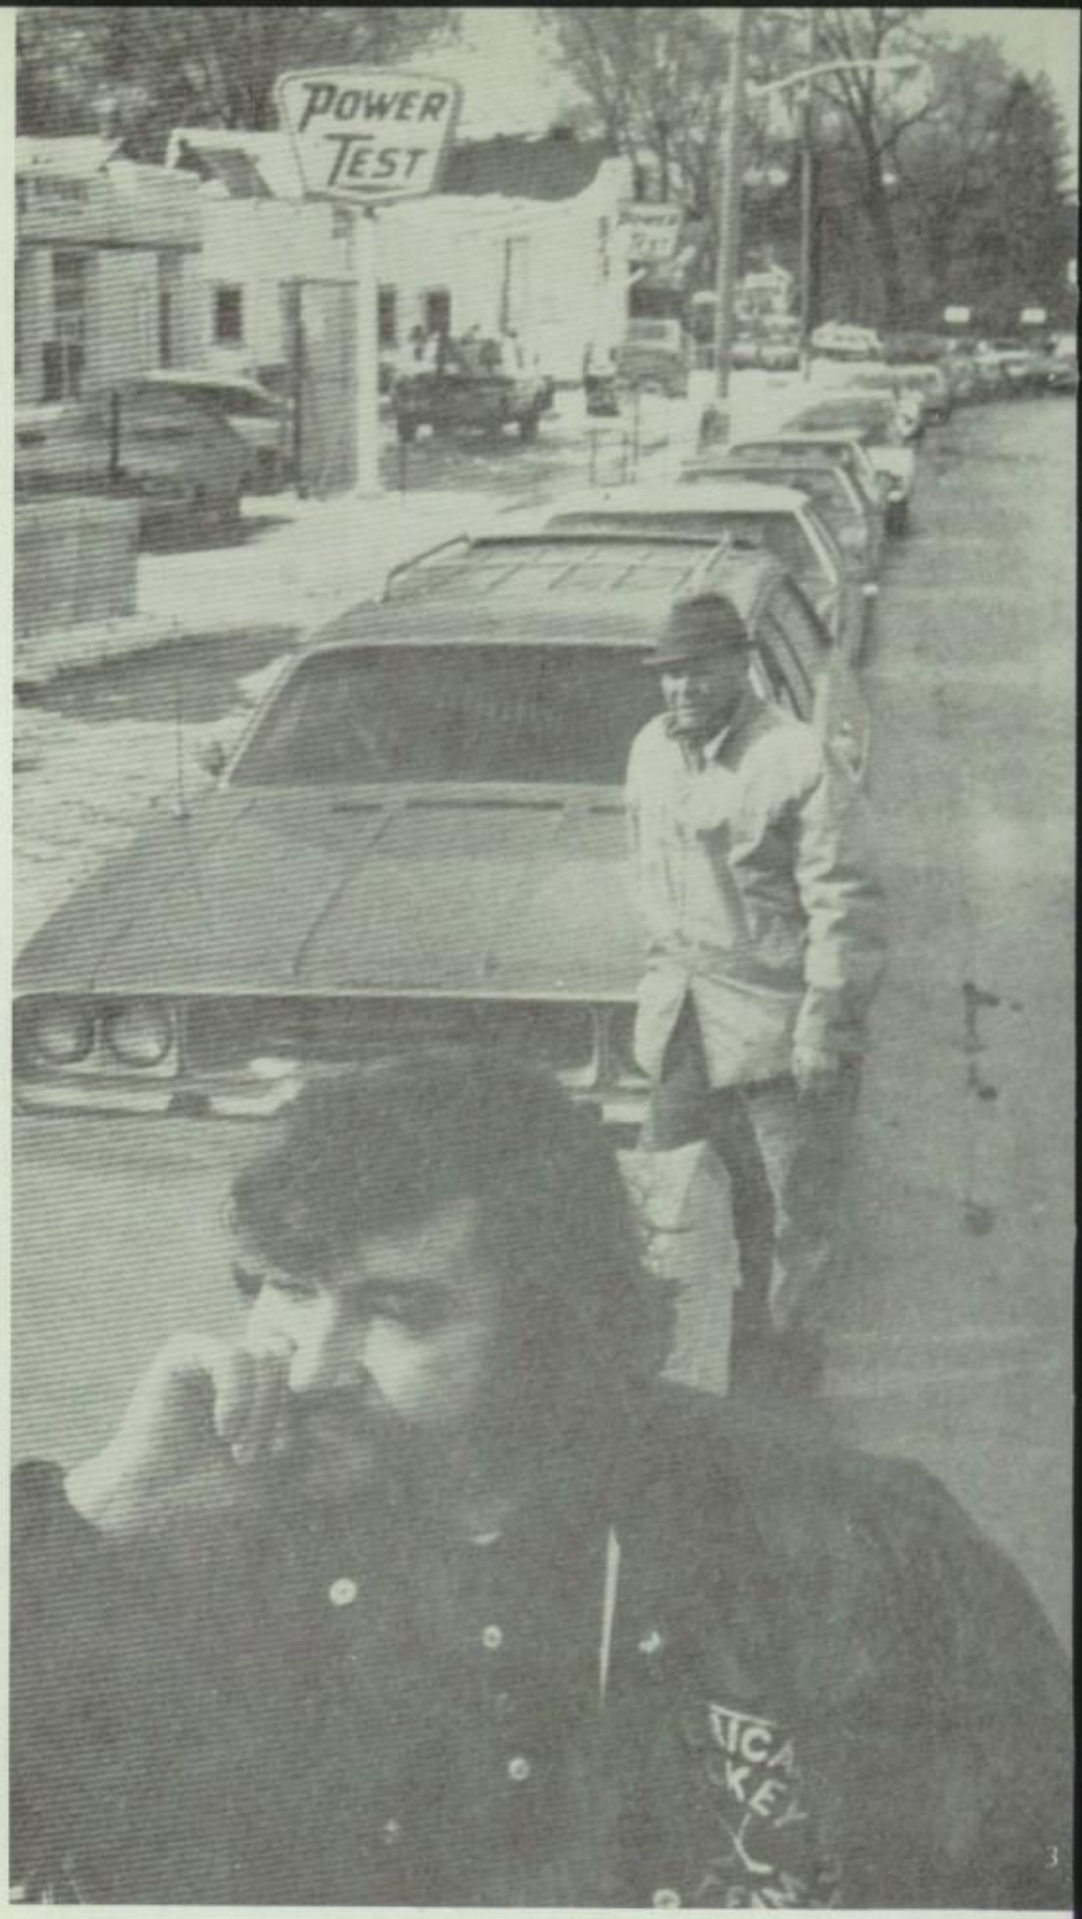
national news concerns seniors...



The school year 1973-74 brought many headlines to newspapers across the country. The Patricia Hearst kidnapping by the Symbionese Liberation Army, "The Exorcist," a movie that became widely known in a matter of days, and the seven day war in the Middle East became newsmakers.

Watergate resulted in conflicting views concerning political affairs. Warnings of an energy crisis were flashed throughout the country urging people to conserve on gasoline, electricity, and various types of groceries. The impeachment of President Richard Nixon was a much debated question following these and other major issues.



1. Kidnapped victim Patricia Hearst with her fiance Steve Weeds. 2. The line-up: A two-hour wait for $2 worth of gas-and maybe a fist fight. 3. A scene from the much talked about movie "The Exorcist." 4. Hank Aaron continued his assult on Babe Ruth's home run record. 5. Special Watergate prosecutor Leon Jaworski. Extra-curricular activities at San Pasqual High School involve much more than the usual will-publicized after-school events. 1. Junior Neal Taylor demonstrates the fast-growing sport of "hang-gliding" by soaring over 100 feet above Lake Hodges. 2. Mark Vosefske, senior, cares for injured birds in his spare time and is shown with a prize falcon. 3. Art Nicolaysen is caught in a pensive mood during a close chess match in the school's multi-media center. 4. Karate and kung-fu has found it's place at SPHS as Tim Hall demonstrates the art of self-survival on partner David Stanley. 5. Sophomore Tom Smith hopes to enter the field of professional photography following graduation and currently serves as a photographer for the Golden Legend. 6. Moto-cross racing at SPHS has evolved into an active club with members like Dan Silor, shown here, demonstrating their skill.

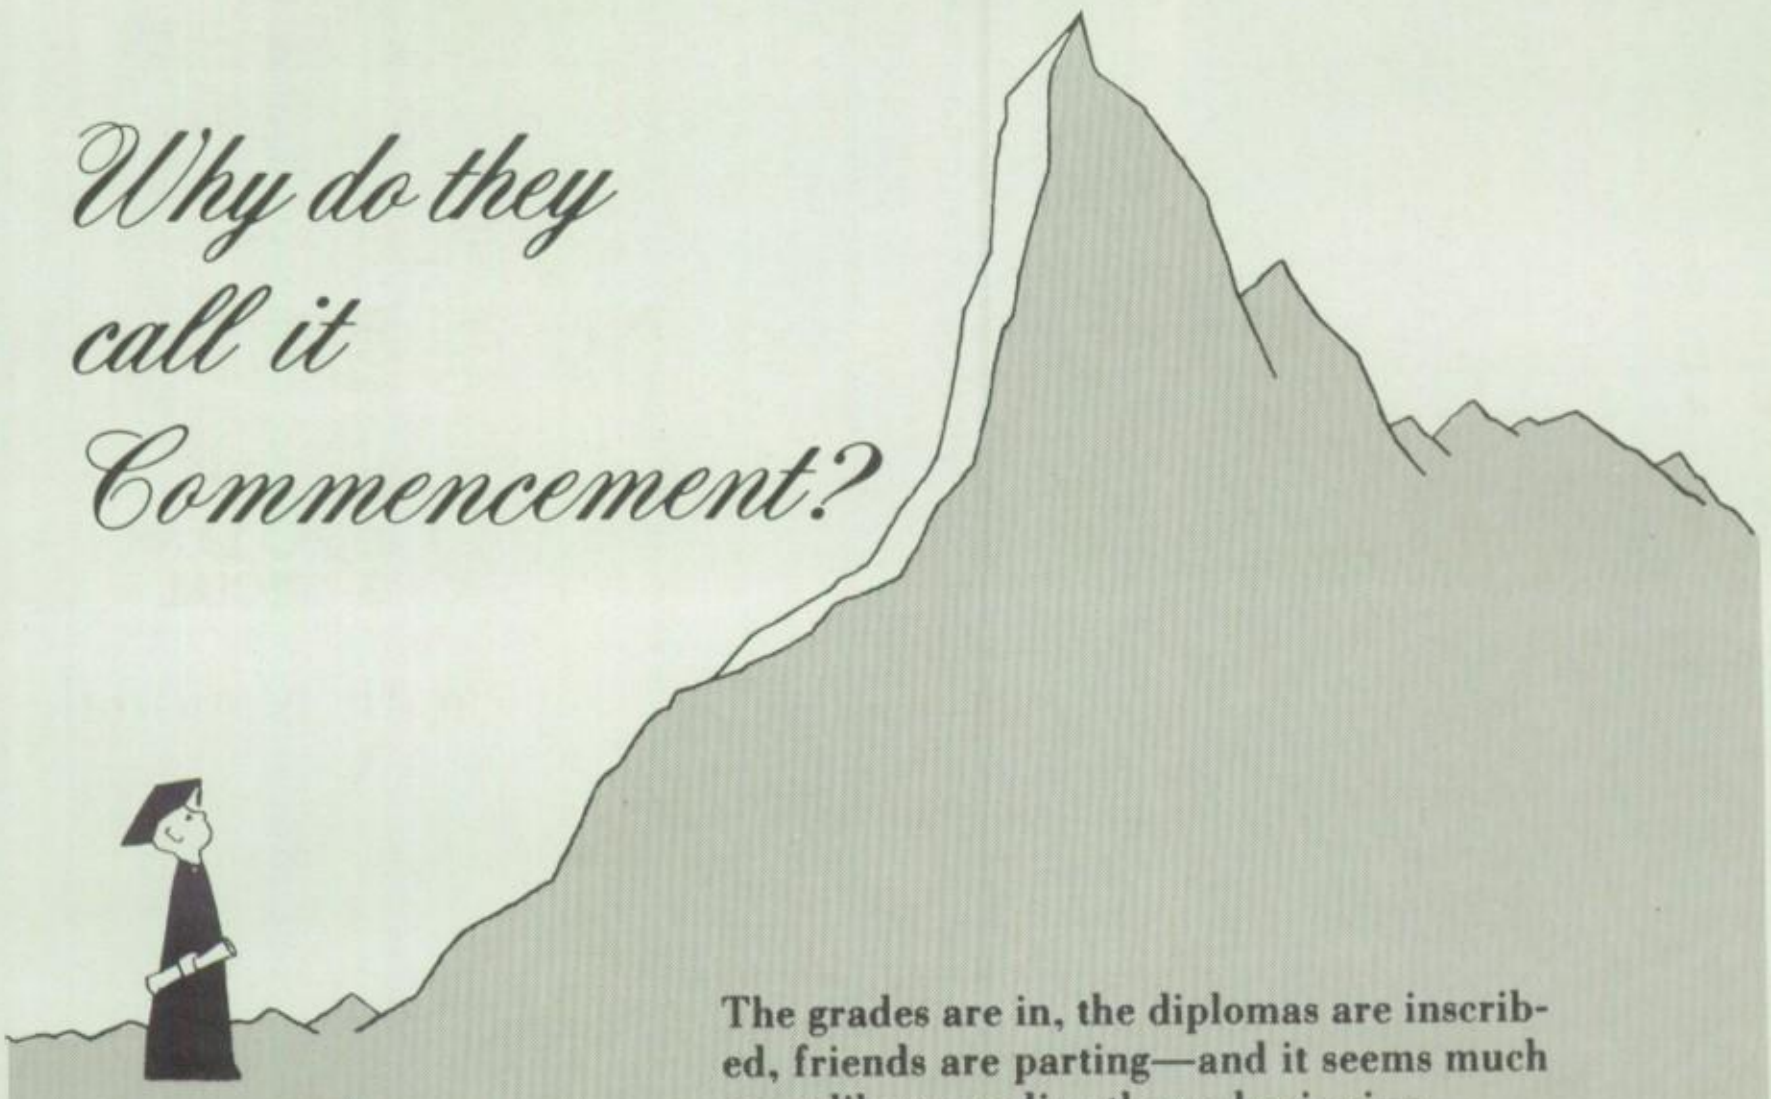
Why do they call it Commencement?



The grades are in, the diplomas are inscribed, friends are parting—and it seems much more like an ending than a beginning.

So why do they call it Commencement?

Because it is. **First steps have been taken successfully—but ahead lie mountains to climb: mountains of higher education, specialized training. And then the world, where things need doing, and people need helping.**

We congratulate this year's "commencers." We are proud of each one of our 1974 high school graduates—and confident of their ongoing achievement.

EMMANUEL FAITH COMMUNITY CHURCH

639 E. FELICITA (17TH) AT ENCINO • ESCONDIDO, CA. 92025

My senior year—it is finally coming to an end. It is ending with a flurry of excitement, a mountain of last-minute details, and a deafening scuffle of hurried feet. Yet when I take the time to sit down, I sit amazed with myself. Here I am, 18, graduating from high school and becoming more independent. Wow, could that be me?

I can just hear all those words of advice coming at me. There will be congratulations and some bombast about my responsibilities. "You are the future of our country." "My, what a grown man you are. I can still remember when you were just a little tot." "Boy, I'm just going to give you one word of advice—plastics."

People—they are always giving hints and tips and telling us that it would be nice if we would become something or somebody. All are given in the hope that we'll find some thing that makes us happy. However, as thinking beings, we would rather make that decision ourselves.

So we get out of high school and get a job, or go to college or travel. We do these things in order to exist or live, or to find pleasure.

A recent television survey discovered that happiness was the one major goal of most Americans. After graduation, many people are going to look for something that will make them happy. Some will try to find happiness at Disneyland, but will come back with tired feet. Some will try to find happiness in marriage, and their marriages will end in divorce. Some will try to find happiness in financial security, but instead they will be worrying about bankruptcy. Some will have an evening of happiness while stoned, but in the morning they will find the same old world. And then there is sex. Some will seek pleasure in a one-night stand, and then realize that in order to have that pleasure it takes 365 all-day stands to stay reasonably happy. All of these things are temporary.

Science is giving us longer lives, but no reason to live. If happiness is temporary, maybe a lasting accomplishment will make our lives more meaningful. Maybe if somebody found the missing evolutionary link his life would have meaning. Maybe a person could go into politics, clean up government, be praised by the press, and then have some meaning in his life. But then if a person really wanted to be sacrificial he could be a philanthropist, a doctor, a social worker and a counselor. He could help his fellow men achieve a better life for themselves. Would his life have meaning? Well, maybe until his money ran out or until he got too old to help anybody.

We are born; we go to school, we have a family, we buy a house and then we die. Isn't there anything more to life? There is.

It can be found in Jesus Christ. I'm not speaking as a theologian; I'm speaking as a high school senior who has found a purpose in his life. I have no reason to mislead you, but I do think I have a responsibility to let you know about the one thing that can put meaning into your life. Believing in Christ is more than going to church, being good, or having a bumper sticker on your car. Jesus Christ is a way of life. When you live for Christ, He gives you lasting happiness, love, joy, peace, patience and eternal life. I'm experiencing these; they're great. You can find out more about what Christ can do in your life—just ask. Jesus Christ is what Emmanuel Faith is all about.

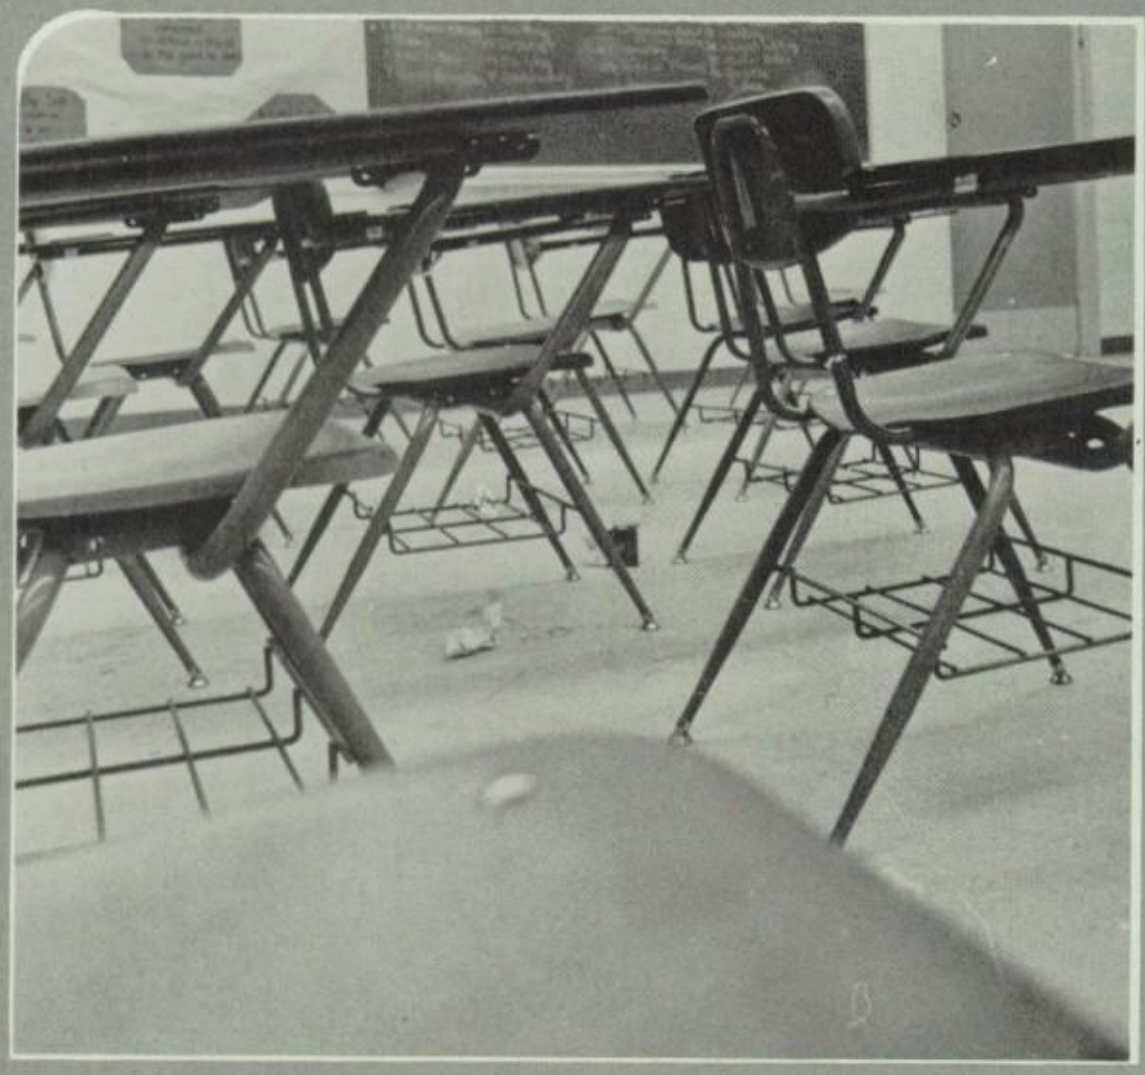
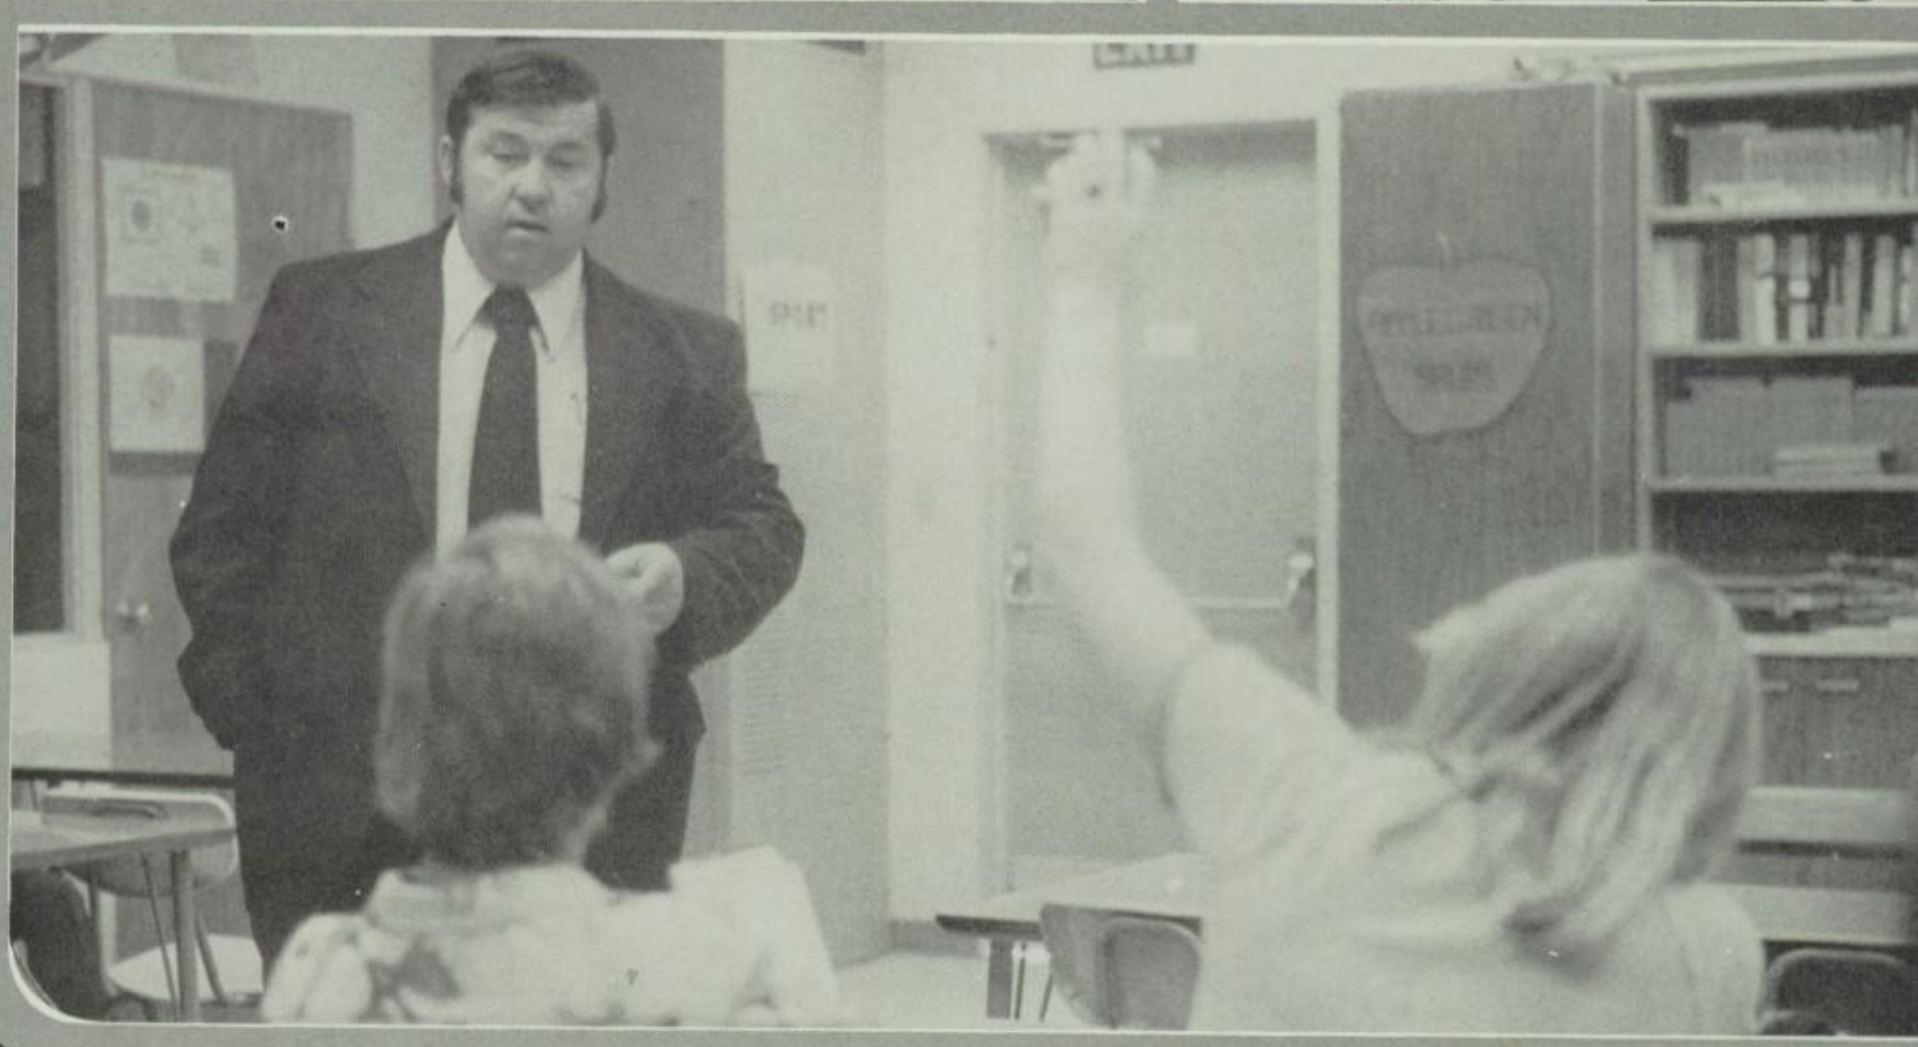
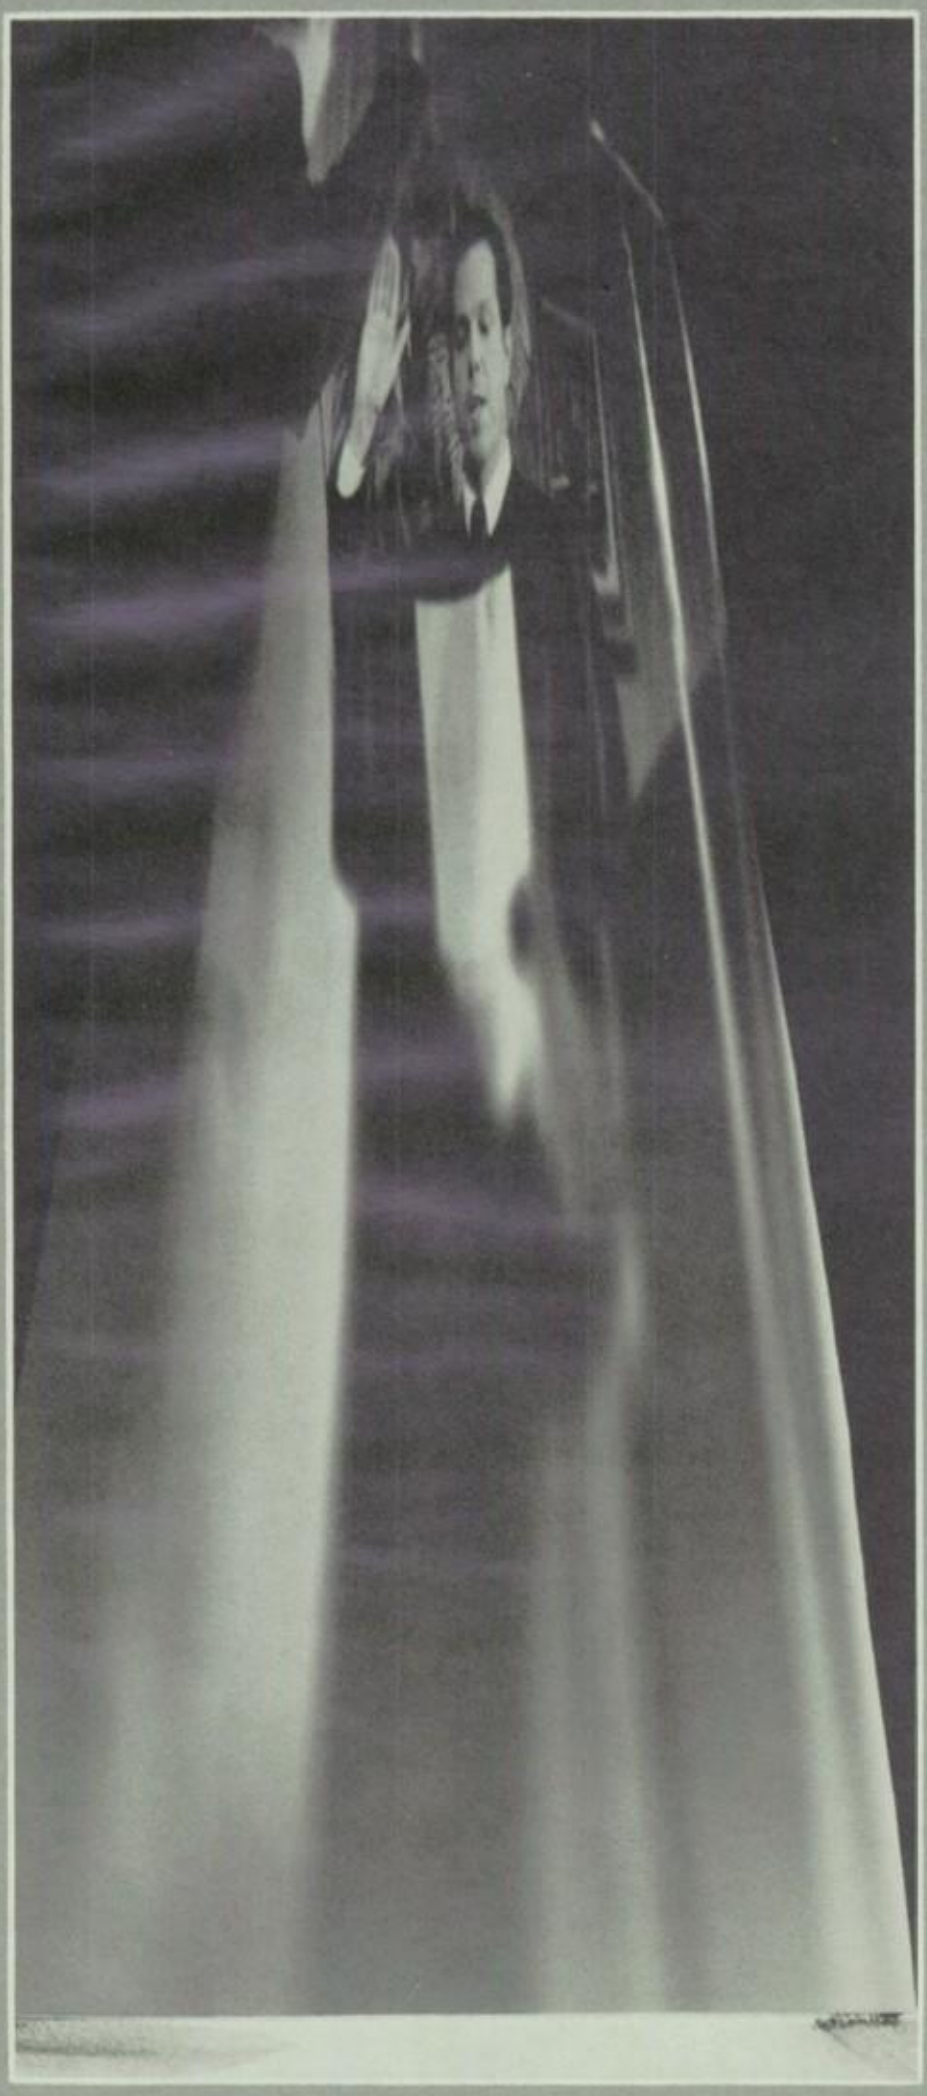
The Golden Legend extends appreciation to Mr. Steve Wagner of Josten's/American Yearbook Company and Mrs. Betty Lopardo for her assistance with the full color senior section.





and so we end one dream...



As depths of dreams grow dim students take one last look at the 1973-74 school year and wonder what became of it all.

Seniors will venture into the world and suddenly take notice of the changes in their surroundings. High school will become a thing of the past along with overcrowded classrooms and days of not worrying about taxes, marriage, college, and babies.

Topics such as Watergate and energy shortages were only heard on the media, but now our ignorance will vanish, and the "adult" world will be a reality.

Underclassmen will return once again to hum-drum school days, which the passing class will long remember.

It seems like only yesterday when seniors were freshmen. Now they are into the world with high school a vague remembrance somewhere in their depths of dreams.

...to begin another

the way we are will be remembe

ed in the depths of dreams.....
